Nothing Is Terrible A Novel:

Select Novels, 1865 **The Crime Novel** Tony Hilfer, 2014-07-03 Although rarely distinguished from the detective story the crime novel offers readers a quite different experience In the detective novel a sympathetic detective figure uses reason and intuition to solve the puzzle restore order and reassure readers that right will always prevail In the crime novel by contrast the hero is either the killer the victim a guilty bystander or someone falsely accused and the crime may never be satisfactorily solved These and other fundamental differences are set out by Tony Hilfer in *The Crime Novel* the first book that completely defines and explores this popular genre Hilfer offers convincing evidence that the crime novel should be regarded as a genre distinct from the detective novel whose conventions it subverts to develop conventions of its own Hilfer provides in depth analyses of novels by Georges Simenon Margaret Millar Patricia Highsmith and Jim Thompson He also treats such British novelists as Patrick Hamilton Shelley Smith and Marie Belloc Lowndes as well as the American novelists Cornell Woolrich John Franklin Bardin James M Cain and Fredric Brown In addition he defines the distinctions between the American crime novel and the British showing how their differences correspond to differences in American and British detective fiction This well written study will appeal to a general audience as well as teachers and students of detective and mystery fiction For anyone interested in the genre it offers valuable suggestions of what to read next **Complete Novels**
