

Nothing you love is lost. Not really. Things, people—they always go away, sooner or later. You can't hold them, any more than you can hold moonlight. But if they've touched you, if they're inside you, then they're still yours. The only things you ever really have are the ones you hold inside your heart.

Nothing For You Love:

Jesus the Philosopher Emanuel Reasor Jr., 2011-05-27 The maze is a philosophy of life It tells of the complicated difficult and often puzzling way a man must walk to find happiness in the center of the maze Though he seems at times to be going in the opposite direction if man will preserve he will find happiness and peace **Morning and Evening**

Meditations from the Word of God Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **A Place in the Lodge** Nancy Stearns

Theiss, 2015-07-14 If you have an interest in Freemasonry you may have heard of Rob Morris or have seen his name on various documents books poems and songs from the mid 1800s but don t know much about him A Place in the Lodge sets forth new facts about his early life and relationships and presents a slice of his life via previously unpublished family letters sent while he was on the road It was a time of yellow fever Civil War and manual farmwork and the detail in the letters and the old photographs here make the era almost tangible Visit this not so distant past and see how Morris helped Masonry evolve from its origins to take part in the United States women s movement and become one of the world s largest fraternal organizations As he worked to standardize Freemasonry and establish the Order of the Eastern Star his efforts were not without controversy **The Confessions** St. Augustine, 1998-12-29 God is our home but many of us have strayed from our native land The venerable authors of these Spiritual Classics are expert guides may we follow their directions home

Archbishop Desmond Tutu Writing in the last years of the fourth century a d Saint Augustine of Hippo created what is at once the first true autobiography in Western literature and among the most sophisticated yet accessible theological arguments in the history of Christianity With extraordinary candor and psychological acumen Augustine recounts his passage from a life of sensuality Manichaeism superstition and empty careerism to a genuine spiritual awakening and he articulates views on marriage morality and faith that have shaped our discourse ever since The Confessions allows us to appreciate both the startling modernity of Augustine s insights and the imperishable poetry of his voice With a new Preface by MacArthur Fellow Patricia Hampl author of Virgin Time and A Romantic Education In the annals of spirituality certain books stand out both for their historical importance and for their continued relevance The Vintage Spiritual Classics series offers the greatest of these works in authoritative new editions with specially commissioned essays by noted contemporary commentators Filled with eloquence and fresh insight encouragement and solace Vintage Spiritual Classics are incomparable resources for all readers
