Notions Of America Swedish Perspectives Sodertorn Academic Studies:

Notions of America Kerstin W. Shands, Rolf Lundén, Dag Blanck, 2004 Americanization is sometimes seen as a unilateral and undesirable invasion of cultural influences and products originating in America This anthology suggests instead that although countries in Europe receive adapt and transform American products images or symbols we also leave much aside along with a real sense of the historical and cultural complexity of a nation like America It is this complexity that this book wishes to point to with scholarly essays on Americanization American history and American literature presented at an international American Studies conference held in the English Department at Sodertorn University College Sweden This anthology offers a variety of learning opportunities and a chance to sample the work of scholars across a number of subject areas Challenging all of us to venture beyond the borders of our own disciplines moreover these essays invite questions about what we do as academics compelling us to think deeply about our profession our educational aims our personal commitments and how aims and commitments are inevitably rooted in social and political networks *American Studies in Scandinavia*

,2003 **Mediations North and South: Epistemological and Empirical Perspectives from Sweden and Brazil** Göran Bolin, Jairo Ferreira, Isabel Löfgren, Ada Machado da Silveira, 2025-01-22 Between 2019 and 2023 media researchers from Sodertorn University in UNISINOS and Universidade Federal de Santa Maria UFSM in Brazil engaged in a collaborative effort to explore Scandinavian and South American perspectives on mediation connecting universities from opposite sides of the world Sweden the project aimed to promote a nuanced understanding of mediation theory from different cultural perspectives and media studies traditions dismantle epistemological barriers and provide new insights into societies undergoing the process of mediation The chapters presented in this volume are grounded on the mobility of researchers across both countries where a productive knowledge exchange contributed to diversify epistemological empirical and methodological approaches to mediation theory and provide new perspectives on mediation theory in contested media scenarios in Sweden Brazil and beyond **Conference Proceeding. New Perspectives in Scienze Education**

Pixel, 2016-03-04 **The Americanization of Europe** Alexander Stephan, 2006 Using Germany as a case study of the impact of American culture throughout a period characterized by a totalitarian system two destructive wars ethnic cleansing and economic disaster this book explores the political and cultural parameters of Americanization and anti Americanism

The Transformation of the Swedish Welfare System

Ali Hajighasemi, 2004 What has happened to the once famous Swedish model Since the economic crisis in the 1990s prophecies of the imminent demise of the universal welfare state have been common Cutbacks in social benefits and mass unemployment seem to confirm these prophecies The author a citizen of Sweden with a Ph D from Durham University UK and a native of Iran thinks differently In this study he explores the role of social movements demographic economic and socio cultural conditions institutional change and globalization in the transformation of the Swedish welfare state Several programs were indeed recalibrated and a policy of cost containment came to dominate social policy making independent of whether the government was center left or center right Although the favorable conditions in the decades after WWII no longer obtain the downsizing of the welfare programs has basically followed an egalitarian and universal logic There are cracks in the wall but the Nordic welfare states have thus far survived and have shown themselves more resilient than most other social organizations in crisis Social scientists and politicians alike will find this book highly relevant for their work

Scandinavian Colonialism and the Rise of Modernity Magdalena Naum, Jonas M. Nordin, 2013-02-20 In Scandinavian Colonialism and the Rise of Modernity Small Time Agents in a Global Arena archaeologists anthropologists and historians present case studies that focus on the scope and impact of Scandinavian colonial expansion in the North Africa Asia and America as well as within Scandinavia itself They discuss early modern thinking and theories made valid and developed in early modern Scandinavia that justified and propagated participation in colonial expansion The volume demonstrates a broad and comprehensive spectrum of archaeological anthropological and historical research which engages with a variation of themes relevant for the understanding of Danish and Swedish colonial history from the early 17th century until today The aim is to add to the on going global debates on the context of the rise of the modern society and to revitalize the field of early modern studies in Scandinavia where methodological nationalism still determines many archaeological and historical studies Through their theoretical commitment critical outlook and application of postcolonial theories the contributors to this book shed a new light on the processes of establishing and maintaining colonial rule hybridization and creolization in the sphere of material culture politics of resistance and responses to the colonial claims This volume is a fantastic resource for graduate students and researchers in historical archaeology Scandinavia early modern history and anthropology of colonialism
