In this fourth edition, expert contributors share their knowledge of the province and its many attractions while offering independent advice about where to go and what to do. More than 400 beautiful full colour photographs show every part of the province at its best. Detailed chapters cover each region from the picturesque Lighthouse Route to the Glooscap Trail and the rugged Cabot Trail. Visitors to Halifax will discover its rich heritage, landmarks, festivals and the best places to eat and shop. This guide shows you the best Nova Scotia has to offer, including spots you won't find in the official travel literature. Also included are helpful regional and Halifax area maps as well as detailed listings that offer information and recommendations on shopping, accommodations, dining, special events and more. *Loring, Short & Harmon's Illustrated Guide Book for Portland and Vicinity* Mary S. Postharvest physiology, which has been in the centre of the picture in many former books, is at the border line of the subject matter of this book and has not been fully covered except in a few cases. For this reason, two separate chapters deal with physiological and pathological aspects of fruit life after harvest. *The Canadian guide-book, the tourist's and sportsman's guide to eastern Canada and Newfoundland: including full descriptions of routes, cities, points of interest, summer resorts, fishing places, etc. in eastern Ontario, the Muskoka district, the St. Lawrence* Ch.
