

The background of the entire image is a photograph of a sunset or sunrise over a body of water. A large, billowing cloud formation dominates the upper half of the frame, illuminated from below by the sun, creating a warm, golden glow. The sun is positioned just above the horizon line, which is roughly in the middle of the image. The sun's light reflects as a bright, shimmering path across the water's surface. The sky above the clouds is a clear, pale blue. The water in the foreground shows gentle ripples.
