Vuyo's Miles Kubheka,2016-09-15 Many people became familiar with the phrase Ooh Vuyo he s such a big big dreamer from the TV beer commercial that told a rags to riches story about an entrepreneur who starts a business selling boerewors rolls and grows it into a successful multinational business Wondering whether it was a true tale Miles Kubheka did some research When he discovered that Vuyo was a fictitious character he saw a gap in the market for developing an exciting business model Moving from his solid IT background into the food business was a major change for Miles but he took the plunge into an industry he knew nothing about One step at a time building on experience often learned from past failures and with more than a little flair he created a successful food business He told his story to anyone who would listen and in time found himself being asked to give motivational talks initially to groups of students But the word spread people were inspired by his story Before he knew it Miles was sharing his insights at global platforms such as TEDx and to large audiences at corporate conferences This book is not a recipe for success It is rather many recipes which Miles shares with an enthusiasm that will encourage and inspire budding young entrepreneurs to achieve their own dreams of business success *Who Am I?* Scott,2011-10 September 6th 2006 was supposed to be just another day Not for Scott Chivinski falling forty feet and being found initially dead then with injuries that no one expected him to recover from The Hand of God in numerous unexplainable miracles compels this to be told There is more than hope for those that believe While we will never totally understand how God does take all things and make them perfect For His Glory Rom 8 28 I am His www.rscottish.blogspot.com **A**
