## Now Its Your Turn:

Now It's Your Turn Denise Jordan, 2004 This series helps readers understand the criteria for and consequences of good behavior Each title asks them questions about what they might hear see or feel when participating in good behavior Positive actions are explored in a way that permits children to explore and discuss their own behavior and choices **Before the Bomb** John D. Chappell, 1997-12-01 Almost forgotten in the haze of events following Nagasaki and Hiroshima the summer of 1945 witnessed an intense public debate over how best to end the war against Japan Weary of fighting the American people were determined to defeat the imperial power that had so viciously attacked them in December 1941 but they were uncertain of the best means to accomplish this goal Certain of victory the inevitable triumph promised by Franklin Roosevelt immediately after Pearl Harbor Americans became increasingly concerned about the human cost of defeating Japan Particularly after the brutal Iwo Jima and Okinawa campaigns syndicated columnists newspaper editorialists radio commentators and others questioned the necessity of invasion A lengthy naval and aerial siege would have saved lives but might have protracted the war beyond the public's patience Advertisers filled the media with visions of postwar affluence even as the government was exhorting its citizens to remain dedicated to the war effort There was heated discussion as well about the morality of firebombing Japanese cities and of using poison gas and other agents of chemical warfare Chappell provides a balanced assessment of all these debates grounding his observations in a wealth of primary sources He also discusses the role of racism the demand for unconditional surrender and the government's reaction to public opinion in the decision to drop the atomic bomb Compelling and controversial this is the first work to examine the confusing and contradictory climate of the American home front in the months leading up to V J Day *Conscience* Andrew David Naselli, J. D. Crowley, 2016-04-14 There is an increasing number of divisive issues in our world today all of which require great discernment Thankfully God has given each of us a conscience to align our wills with his and help us make wise decisions Examining all thirty New Testament passages that touch on the conscience Andrew Naselli and J D Crowley help readers get to know their consciences a largely neglected topic and engage with other Christians who hold different convictions Offering guiding principles and answering critical questions about how the conscience works and how to care for it this book shows how the conscience impacts our approach to church unity ministry and more **The Fast Track Photographer Business Plan** Dane Sanders, 2010-12-14 NEW RULES FOR A NEW BUSINESS WORLD Thinking about starting a photography business The first thing you need to know is that the rules have changed Yesterday's business models have collapsed Creating a successful business in today's Digi Flat era requires a sharp new approach one that Dane Sanders has practiced successfully and taught at Fast Track workshops and seminars all around the world Some of the things you'll learn in this book How to turn the very technologies that are killing professional photography such as the Internet into your tools of success How to lead your business not let your business lead you How systematizing scaling and outsourcing are critical
