The Healer Emma Sargent,2015-12-28 Once upon a time Psychics and Healers were revered They held positions of status and authority They were the closest confidants to Kings Emperors and mighty rulers Over the centuries the Western world changed Psychics and Healers moved underground as though their work had become taboo To admit consulting with one was akin to a belief in faeries witchcraft or even aliens Today there are different classes of Seer Some charge 5 a minute giving readings of a dubious nature over the phone The real Psychic Healer operates by word of mouth Often they are booked weeks and months in advance They consult to the most powerful and wealthy They are privy to information that would boggle the mundane mind They hold court between what is seen and what only they can see They are the holders of truth reveling in the mysteries of life and ancient wisdom Alex Telman is a real Psychic Healer These are my conversations with him The Healer is the must read book of 2016 A storyteller and an internationally renowned psychic healer weave their own personal experiences and discuss all the taboo topics relevant to the modern life The concepts leap from the page and into your mind planting seeds of suggestion invitation and encouragement Readers have described The Healer as a life changing map that they have been unable to put down The Healer not only inspires a new set of eyes for life but also demystifies a number of murky words and concepts along the way Think Differently **Christianity and Change**
