Nuclear Weapons and Christian Conscience Thomas D'Esterre Roberts (Mgr.),1961 **Nuclear Weapons and Christian Conscience, Etc. [By Various Authors. Edited by W. Stein.]** Walter STEIN,1961 *Nuclear Weapons and Christian Conscience* ,1981 **The Oxford Handbook of Elizabeth Anscombe** Roger Teichmann,2022 Elizabeth Anscombe was one of the most important philosophers of the twentieth century as well as a friend pupil and the main translator of Ludwig Wittgenstein She wrote on a wide range of philosophical topics publishing a handful of books and a large corpus of articles in her lifetime This collection of twenty two essays on the philosophy of Elizabeth Anscombe by an international array of experts in the field covers intention ethical theory human life the first person and Anscombe on other philosophers **Biblical Realism Confronts the Nation** Paul Peachey,2021-10-28 **Power Politics and Moral Order** Eric D. Patterson,Robert J. Joustra,2022-03-28 Christian realism is undergoing a renaissance in both American Christianity and around the world Caught between globalist liberalism on the one hand and pragmatic realism on the other Christians are in search of international ethics a standard and tradition in foreign policy that takes the two great books of life the Christian Scriptures and the world we live in seriously This book is an extended edited collection that mines the tradition of Christian realism in international relations and finds in it voices and mentors urgently fresh for a new age With classic authors like Reinhold Niebuhr Herbert Butterfield Paul Ramsey and Jean Bethke Elshtain and contemporaries like Marc LiVecche Rebecca Heinrichs and others this collection offers for the first time an organization periodization and collection of primary Christian realist sources for the initiate and the expert in foreign relations **Counsels of Imperfection** Edward Hadas,2020-10-23 For more than a century the teaching authority of the Catholic Church has attempted to walk along with the modern world criticizing what is bad and praising what is good Counsels of Imperfection described the current state of that fairly bumpy journey The book is divided into 11 chapters First comes an introduction to ever changing modernity and the unchanging Christian understanding of human nature and society Then come two chapters on economics including a careful delineation of the Catholic response past and present to socialism and capitalism The next topic is government with one chapter on Church and State another on War and a third that runs quickly through democracy human rights the welfare state crimes and punishments including the death penalty anti Semitism and migration Counsels of Imperfection then dedicates two chapters on ecology including an enthusiastic analysis of Francis s technocratic paradigm The last topic is the family teaching which presents the social aspects of the Church s sexual teaching A brief concluding chapter looks at the teaching s changing response to the modern world and at the ambiguous Catholic appreciation of the modern idea of progress For each topic Counsels of Imperfection provides biblical historical and a broad philosophical background Thomas Aquinas appears often but so does G W F Hegel The goal is not only to explain what the Church really says but also how it got to its current position and who it is arguing with In the spirit of a doctrine that is always in development Counsels of

Imperfection points out both strong points and imperfections in the teaching The book should be of interest to specialists in Catholic Social Teaching but its main audience is curious newcomers especially people who do not want to be told that there are simple Catholic answers to the complicated problems of the modern world The Indispensable Zinn Howard Zinn,2012-12-11 A well chosen anthology of the radical historian s prodigious output from A People s History of the United States and lesser known sources Kirkus Reviews When Howard Zinn died in early 2010 millions of Americans mourned the loss of one of the nation s foremost intellectual and political guides a historian activist and truth teller who in the words of the New York Times s Bob Herbert peel ed back the rosy veneer of much of American history to reveal sordid realities that had remained hidden for too long A collection designed to highlight Zinn s essential writings The Indispensable Zinn includes excerpts from Zinn s bestselling A People s History of the United States his memoir You Can t Be Neutral on a Moving Train his inspiring writings on the civil rights movement and the full text of his celebrated play Marx in Soho Noted historian and activist Timothy Patrick McCarthy provides essential historical and biographical context for each selection With a foreword by Noam Chomsky and an afterword from Zinn s former Spellman College student and longtime friend Alice Walker The Indispensable Zinn is both a fitting tribute to the legacy of a man whose work changed the way millions of people saw the past and a powerful and accessible introduction for anyone coming to Zinn s essential body of work for the first time Noam Chomsky *The War Game* Irving Horowitz,2017-07-28 War gaming has become a characteristic feature of modern life From amateur clubs to professional academicians playing the war game in the company of military circles we have come up against the phenomenon of the robotization of human life Irving Louis Horowitz argues that those who protest the idea that war is a game do so on moral grounds that leave unanswered tough questions What is the alternative to playing the game What will become of us if we allow the opponent to become the better player in an all or nothing game of extinction Horowitz provides answers in a logical manner while focusing on facts and ethical alternatives to risky ethics The work is divided into three sections The New Civilian Militarists Thermonuclear Peace and Its Political Equivalents and General Theory of Conflict and Conflict Resolution Included are such topics as arms policies and games morals missiles and militarism and conflict consensus and cooperation Horowitz concludes that it is time to register the fact that the basic option to destructive uses of science is not traditional morality but better science a science of survival With a new introduction by Howard Schneiderman along with a major essay and other materials not included in the original edition this classic work is a worthy contribution to intellectual debate in the twenty first century and a must read for military strategists sociologists and historians Thomas Merton and James Laughlin Thomas Merton,James Laughlin,1997 Cloistered in a remote Kentucky monastery Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin
