International Relations in the 21st Century B. M. Jain, 2021-02-15 This book introduces an innovative theoretical construct of geopsychology to navigate the complex dynamics of international politics in the 21st century It explains how geopsychology is different from mainstream international relations theories in terms of primary actors human behavior spatial application instruments and key issues It argues that peace and stability in the troubled parts of the world warrants an imperative need for understanding psychological dispositions of non state actors and authoritarian regimes In *The Geopsychology Theory of International Relations in the 21st Century Escaping the Ignorance Trap* B M Jain unfolds that neither a global hegemon nor a cohort of powers could weaken their resolve and break their morale as proven in the cases of Iraq Afghanistan and North Korea Importantly the regional case studies India and Pakistan in South Asia North Korea and China in Northeast Asia and the U S involvement in the Middle East reveal how the psyche and thought processes of national and regional actors have been the driving force in triggering interstate conflicts and civil wars The book brilliantly illuminates how America became a conscious victim of the ignorance trap in Asia's volatile regions This must book offers easy solutions to complex conflicts to induce a peaceful change in world politics **Conflict and Peace in South Asia** Manas Chatterji, B. M. Jain, 2008-10-13 South Asia is a distinct geographical entity comprised of seven countries India Pakistan Bangladesh Nepal Bhutan Sri Lanka and Maldives situated in the Indian Ocean This book looks at these countries in a historical context from inter regional and international perspectives **India's Foreign Policy in the New Millennium**

Vatsala Shukla, 2005 It is the power and power alone that counts Achievement expansion and demonstration of power are the key characteristics of all international relations It is an all pervasive phenomenon This book has beautifully summarized various connotations of power India has a vast potential of its own and its economic political and military interests cover areas far beyond Asia With its scientific and material resources its size and its strategic location India is already an important member of the international community If it keeps growing economically at a fast rate India will certainly increase its weight in international and regional affairs and be able to enhance its power posture The present book India's foreign policy in the new millennium is indeed a comprehensive discourse on India's foreign policy It chiefly focuses on post cold war global forces viz globalization nuclearization hegemonism economic diplomacy women's empowerment etc It brilliantly examines core values of India's foreign policy as well as the factors affecting such policy at national regional and global levels In the end it categorically mentions the strategies best suited to India in

Deconstructing India-Pakistan Relations Sanjeev Kumar H. M., 2023-12-14 This book examines the complex dynamics of India Pakistan relations by situating the same in the postcolonial setting of the subcontinent In pursuit of this the book analyses the impact of the linkages between the postcolonial processes of state making and the structuring of political communities upon the evolution of the problematique of state security in South Asia For the purpose of undertaking this task the author deconstructs the countries colonial history with an aim to map its impact on the making of the foreign policy of Pakistan Drawing primarily from colonial discourse theory and historical sociology the book links the trajectory of Pakistan s international politics to its domestic politics and weak state inheritances By doing this it offers a stimulating treatment of the history of the country s troubled postcolonial relations with India This has been done in the book by presenting the modes by which the religio

military and politico bureaucratic classes that constitute the power elite in Pakistan tended to have moulded an India centred State security problematique This book will be of interest to researchers studying South Asian security India Pakistan relations and the defence and foreign policy of Pakistan

Pakistan's Nuclear Policy Zafar Khan, 2014-07-17 In May 1998 in reaction to India's nuclear weapons tests Pakistan tested six nuclear weapons Following this the country opted for a policy of minimum deterrence and within a year Pakistan had altered its policy stance by adding the modifier of minimum credible deterrence This book looks at how this seemingly innocuous shift seriously impacted on Pakistan's nuclear policy direction and whether the concept of minimum has lost its significance in the South Asian region's changed changing strategic environment After providing a brief historical background exploring why and how Pakistan carried out the nuclear development program the book questions why Pakistan could not sustain the minimum deterrence that it had conceptualized in the immediate aftermath of the 1998 test It examines the conceptual theoretical framework of the essentials of minimum deterrence in order to question whether Pakistan's nuclear policy remained consistent with this as well as to discover the rudimentary factors that are responsible for the inconsistencies with regard to minimum deterrence conceived in this study The book goes on to look at the policy options that Pakistan had after acquiring the nuclear capability and what the rationale was for selecting minimum deterrence The book not only highlights Pakistan's deterrent force building but also analyzes closely Pakistan's doctrinal posture of first use option Furthermore it examines the policy towards arms control and disarmament and discusses whether these individual policy orientations are consistent with the minimum deterrence Conceptually providing a deeper understanding of Pakistan's post 1998 nuclear policy this book critically examines whether the minimum deterrence conceived could be sustained both at the theoretical and operational levels It will be a useful contribution in the field of Nuclear Policy Security Studies Asian Politics Proliferation Non Proliferation Studies and Peace Studies This book will be of interest to policy makers scholars and students of nuclear policy nuclear proliferation and arms control related research
