O Kaplan! Leo Rosten, 1976 **O Kaplan! My Kaplan!** Leo Rosten (Schriftsteller, Drehbuchautor), 1976 *Off-canon Pleasures* Armin Paul Frank, 2011 The inclusion of works in a canonical list creates a large body of exclusions But among these neglected works there are not a few that nevertheless are worth reading Literary worth is not necessarily aesthetic impeccability A literary work recommends itself by a high degree of artistic achievement with elbowroom for historical importance The present study focuses on Leo Rosten's immigration novel *The Education of Hyman Kaplan* 1937 and Archibald MacLeish's radio play *Air Raid* 1938 The first is more than the apparent compendium of language based jokes Read in the context of immigration policy from Presidents Theodore Roosevelt to F D Roosevelt and of Jewish American humor it displays Kaplan's moral and intellectual growth which extant commentary denies and exhibits the interior internationality of an immigration country *Air Raid* is one of the few achieved American radio plays to take a stand on foreign affairs in a context that does not only consist of broadcasting and Picasso's collage painting *Guernica* the screaming picture which MacLeish transposed into the acoustic medium but also of the historical saturation bombing of the Basque town *Lenin and His Comrades* Iñaki Fel'shtinskiĭ, 2013-10-18 Reads like a true crime investigation Hard hitting anti communist slant by dissident critic of the communist regime **Catalog of Copyright Entries. Committee on Interstate Commerce, 1938 The Realist Tradition in International Relations Barry Scott Zellen, 2011-08-19 This comprehensive foundation for the study of realism will introduce students in disciplines as varied as philosophy international relations and strategic studies to the majestic breadth of the realist tradition that unifies them all The Realist Tradition in International Relations The Foundations of Western Order introduces the principal theorists who have shaped and defined the realist tradition This once dominant theory of international politics has reemerged to provide a shared foundation for understanding political theory international relations theory and strategic studies The work is comprised of four volumes each focusing upon a distinct period and the pivotal contributors writing in that era Volume 1 State of Hope looks at the classical era when chaos reigned supreme Volume 2 State of Fear goes through the early modern period and the emergence of the modern state Volume 3 State of Awe explores the age of total war with its unprecedented dangers Volume 4 State of

Siege examines the present era of insurgency and asymmetrical conflict A truly monumental work this sweeping study will surely foster a new appreciation of the rich tapestry of realist thought and its continuing relevance to the study of world politics

Sound an Alarm! Joseph Perl's Revealer of Secrets and Testing the Righteous Dov Taylor,2024-11-15 Revealer of Secrets is a portrayal both realistic and satirical of Eastern European Jewish life in the tumultuous early years of the nineteenth century It reflects the struggle that raged between the Haskalah and Hasidism as the Jewish people stood on the threshold of modernity In the battle between reason and faith the Haskalah admired science and rationalism and recommended broad education to its adherents while Hasidism revered mystical intuition in its charismatic rebbe saints and encouraged religious fervor in its followers Published in Vienna in 1819 Joseph Perl s Revealer of Secrets was the most

devastating and best known parody produced by the Haskalah movement Its milieu is that of Ukrainian Polish and Russian Jewry at the beginning of the nineteenth century Drawing on forms from the eighteenth century European epistolary novel the khsidic holy book khsidic and rabbinic letters and the Austrian comic tradition and drawing inspiration from the masterpiece of biblical parody The Book of Esther Perl unleashed a broadside that in the words of one modern critic was to become a classic of Hebrew literature a masterpiece of invective and the first Hebrew novel Perl s related volume Bohen Tsaddiq Testing the Righteous was published in 1838 TR is a sequel to RS consisting of a discussion of readers reactions to the earlier work including criticism of the author s use of khsidic sources Each of the criticisms is of course convincingly rebutted as the entire work is crafted to lend authenticity to RS Ovadya reappears as the narrator in TR Its plot revolves around the search for a completely honest man in the course of which representatives of the various elements of Jewish society are reviewed and their defects exposed The parade of failures includes not only khsidim but also rabbis businessmen craftsmen and even maskilim As the search concludes the honest man turns out to be neither a khsidic tzadek nor even a maskil but a pious farmer in a Jewish agricultural utopia in the Crimean Peninsula Perl s vision of utopia thus rejects not only Hasidism but also the idea of a return to Palestine envisioning instead a life of productive labor in the Diaspora
