Passion And The Glory:

The Passion-Driven Sermon James Shaddix, Jim Shaddix, 2003 Author gives special attention to theological subjects such as the nature of revelation the role of persuasion and the effectual work of God's Word **PASSION** Louie Giglio, 2014-03-04 Key messages by today's leading Christian voices on what it means to possess a passion for Jesus Christ What exactly is it that instills passion in a person's soul What brings the fire to make a difference the desire for significance the power to live a life that matters And who will lead us in this quest toward the future of the Church In this remarkable book some of today's most gifted communicators highlight the dedicated generation that is rising up to show us how to lean toward the centrality of Jesus Christ and His bright light of glory that brings purpose to our own lives and proper glory to God the Father Since it first began in 1995 Passion has had the privilege of encountering millions of believers under the age of 25 a sea of men and women whose lives have been transformed by the power of the Holy Spirit Their voice is getting louder as they rise united as a generation bringing hope and light to the world Author and general editor Louie Giglio has brought together these incredible authors to share their thoughts on what it means to burn with a passion for Christ As delivered to Passion Conferences the book includes contributions from Giglio himself as well as multiple chapters from Francis Chan John Piper Beth Moore Judah Smith Christine Caine The wave is growing into a global awakening Join the movement *The Passion and the Glory* Mike Mazzalongo, 2019-01-03 In this book Mike will examine in detail the final hours of Jesus' life as He experienced the events leading to His death on the cross followed by His glorious resurrection **The Passion Promise** John Avant, 2010-06-09 When we settle for our own dreams we settle for too little God promises to do immeasurably more than all we ask or imagine in each of our lives Eph 3:20 NIV John Avant shares true stories of God's passion touching lives around the world and helps readers discern God's dreams for themselves challenging them to put an end to boring living As readers see God's passionate adventure lived out all around them every day they'll eagerly accept His invitation to be a part of it to live a life beyond their imagination **Christ's Prayer Before His Passion** Anthony Burgess, 2020-09-20 In Christ's Prayer before His Passion a major work consisting of 145 sermons Anthony Burgess expounds such topics as God the Father and God the Son the love of God providence over death election the deity of Christ the Mediator as teacher and priest and king union with Christ the knowledge of God eternal life justification sanctification obedience separation from the world faith prayer perseverance worship Christian unity gospel ministry and the glory of heaven All these truths are discussed by this judicious Puritan divine according to the order of the text in John 17 Burgess rightly regarded John 17 as a mountaintop of divine revelation a pearl in the gold of the Bible He asserts that the Lord offers this prayer in the presence of His disciples so that those who hear it and later those who read it might be filled with joy This prayer is especially significant because Jesus utters it the night before His crucifixion which is the climax of His earthly work Burgess thus asks his readers If the words of a dying man are much to be regarded how much more of a dying Christ In this light Anthony Burgess expounds John 17 as

the prayer of Christ both as our Mediator if we are believers and as the model of a godly man Originally published as CXLV Expository Sermons upon the Whole 17th Chapter of the Gospel according to John or Christ s Prayer before His Passion Explicated and both Practically and Polemically Improved London Abraham Miller for Thomas Underhill 1656 **A Dangerous Passion** Haig Patapan,2021-05-01 A Dangerous Passion argues that leadership and honor are mutually constitutive and that this dynamic relationship fundamentally shapes the character of political practice Haig Patapan shows how our contemporary blindness to this leadership honor dynamic and neglect of the significance of honor and shame in modern politics have caused us to fundamentally misunderstand the nature of leadership We have lost sight of how honor shapes the ambitions and aspirations of those who seek political office and the opportunities and limits it imposes on leaders when engaging with their followers What has been obscured are the two faces of honor how it is the dangerous passion that fuels the ambitions of the glory seekers to pursue tyranny and empire as well as being the source of good leadership that is founded on noble ambition and sacrifice for the common good Patapan examines classical magnanimity Machiavellian glory and Hobbesian dispersed leadership views that continue to be debated and then offers insights from these debates to illuminate a series of contemporary political challenges for leaders including the politics of fame identity and nationalism

The Passion and the Glory Muriel Seuffert,1981 **A Consuming Passion** Christopher M. Date,Ron Highfield,2015-10-13 This diverse collection of essays in honor of Edward William Fudge explores the topics of hell and immortality for which Fudge has been widely known through his magnum opus *The Fire That Consumes* Most Christians believe people will live and suffer in hell forever but Fudge defends a view known historically as conditional immortality He and a growing minority of Christians believe God will grant immortality only to those who meet the condition of being united with Christ on the Last Day while those who do not will perish forever Although Christians sharing Fudge s view have defended it both before and after him conditionalists today still point to *The Fire That Consumes* as the seminal treatment of the topic In July 2014 Christians from around the world gathered at the inaugural Rethinking Hell conference to celebrate Fudge s life and work and to discuss the nature of hell in an open and respectful forum This volume contains most of the essays presented at that conference and several others volunteered by conditionalists since then as a gift to Fudge for the tremendous impact he has had on them and for the continued work he does for God s kingdom **The Passion of Christ Is My Passion for Truth** Bubba,2021-01-19 The author Bubba a born again Christian has studied the scriptures for many years and has relied on his Father in Heaven for the understanding of His word the Bible Bubba has learned many things and understands we all need Jesus for He is the body and the Church In *The Passion of Christ is My Passion for Truth* Bubba shares his thoughts and opinions about Jesus God religion and spirituality Through a compilation of Bible stories and scripture he offers an inspirational look at Christianity and what it really means *The Passion of Christ is My Passion for Truth* communicates that seeing is believing The mysteries of the Bible will unfold as you read them This guide facilitates the start

The passion of Jesus Sabine Baring Gould, 1885 *Sermons on the Passion of Jesus Christ* John McQuirk, 1916 **The Way of Passion** Andrew Harvey, 2013-07-23 A modern mystic and religious scholar presents a stunning collection of Rumi poems and reveals how the Sufi poet's words can guide us through spiritual and ecological crisis The minds of two mystics intermingle in a work of inspired vision and clarity Jalalud Din Rumi enlightened spiritualist poet of Sufism has been venerated by Moslems everywhere since his death in 1273 No other poet in history not even Shakespeare or Dante has made so exalted and comprehensive an impact on his own civilization In the latter part of the 20th century he has become for people of every race and creed the poet of the new mystical Renaissance that is slowly but surely coming to its flowering No one has done more than Andrew Harvey to spread popular awareness of Rumi's message Himself a charismatic mystic he has spent the last 20 years of his life in search of the essential truths that could transform the spiritual barrenness at the heart of modern Western civilization In his books *Love's Fire* and *Speaking Flame* he has re-created Rumi's poems with a brilliance that speaks eloquently to us today *The Way of Passion* draws on the poems to present a guide to the contemporary spiritual and ecological crisis Each chapter Harvey tells us is a dance a dance of mirrors in which essential spiritual themes return to be reflected in different constellations and harmonies a dance around Rumi and that mystery of Love he lived and expressed so completely Inspired by Rumi's voice and by his own startling ability to see into the innermost heart of life Harvey urges us to change to have faith and to act through Love to transform this time of Apocalypse into the time of Resurrection The passion of his words shines from the pages with an intensity that can embrace and inspire us all **The Individual without**

Passions Elena Pulcini, 2012-08-09 The Individual without Passions Modern Individualism and the Loss of the Social Bond offers an innovative look at an extremely timely and important issue individualism from the point of view of a theory of passions This book underlines the importance of the problem of the passions in both forming individual identity and building the social bond Drawing inspiration from classic authors that represent fundamental milestones along the route of modern individualism from Montaigne to Hobbes from Locke to Smith from Rousseau to Tocqueville The Individual without Passions puts forward new hypotheses that contrast with the consolidated views of contemporary reflection both modern and postmodern Elena Pulcini argues that passions are crucial not only when they are strong homo oeconomicus but also when absent or weak homo democraticus in both cases producing pathological effects on the Self and the social bond Finally this book underlines that the image of the modern individual does not end with the egoistical passions and that it is possible to reactivate empathetic and solidaristic passions furthermore it proposes the hypothesis that the solidaristic passions go to fight the egoistical passions This hypothesis seems confirmed and is most evident in the phenomenon of the gift as interpreted by Marcel Mauss and his contemporary heirs the hidden testimony of a desire for belonging which enables us to propose a new figure of the individual homo reciprocus The "Summa Theologica" of St. Thomas Aquinas Saint Thomas (Aquinas), 1914

Syriac Idiosyncrasies Serge Ruzer, Aryeh Kofsky, 2010-05-31 The study of early Syriac Christianity has for decades been steadily expanding yet its scope still lags way behind that of research relating to Greek and Latin Christianity One of the intriguing and understudied topics here is the nature of Syriac Christianity's autonomous identity in late antiquity This question is intrinsically connected to its genesis from an indigenous Christian Aramaic background as well as its interaction with the neighboring Jewish milieu This volume unearthes some of the idiosyncrasies mainly pertaining to trinitarian theology christology and hermeneutics to be found in early Syriac literature before the onslaught of Greek hegemony The idiosyncrasies analyzed here offer new insights into the nature of that peculiar brand of early Christianity confirming a model of an indigenous early Syriac tradition gradually entering into a dynamic interaction with Greek influence
