**A Radiance in the Gulag** Nijole Sadunaite, 1992      Finding God in the Gulag Jeffrey S. Hardy, 2024-10-23 The Soviet Communist Party with help of the secret police attempted to completely eliminate religion from Soviet society by in part imprisoning believers and attempting to re educate them in the labor camps of the infamous Gulag Finding God in the Gulag tells the story of how imprisoned Christians nevertheless found ways to pray read scripture sing hymns celebrate Easter and commune with their fellow believers

**The Holocaust and Soviet War Crimes Trials in the Cold War Context** Gintarė Malinauskaitė, 2024-02-23 This volume aims to offer a fresh perspective towards the evaluation of Soviet war crimes trials of Holocaust perpetrators their representation through various means of media and their reception in the context of the Cold War By examining the 1964 Klaipėda war crimes trial in Soviet Lithuania through a microhistorical perspective the book explores the history of the second wave of Soviet justice in the 1960s It attempts to offer insight not only into how this Soviet war crimes trial was initiated and investigated but also into how it was presented in the courtroom and channeled through the media for publicity The book argues that the war crimes trials conducted by the Soviet Lithuanian judiciary can be on one hand perceived as an intrinsic element of Soviet ideological propaganda and on the other viewed as an alternative space for disclosing memories of the mass murder of Jews offering an opposing perspective to the official Soviet politics of memory Intended for both an academic audience and the general public this volume unveils an intertwined compilation of Soviet legal history politics of retribution memory and media during the Thaw period

*Gulag* Anne Applebaum, 2007-12-18 PULITZER PRIZE WINNER This magisterial and acclaimed history offers the first fully documented portrait of the Gulag from its origins in the Russian Revolution through its expansion under Stalin to its collapse in the era of glasnost A tragic testimony to how evil ideologically inspired dictatorships can be The New York Times The Gulag a vast array of Soviet concentration camps that held millions of political and criminal prisoners was a system of repression and punishment that terrorized the entire society embodying the worst tendencies of Soviet communism Applebaum intimately re creates what life was like in the camps and links them to the larger history of the Soviet Union Immediately recognized as a landmark and long overdue work of scholarship Gulag is an essential book for anyone who wishes to understand the history of the twentieth century

*The Gospel of Mark (Catholic Commentary on Sacred Scripture)* Mary Healy, 2008-11-01 There is an increasing hunger among Catholics to study the Bible in depth and in a way that integrates Scripture with Catholic doctrine worship and daily life In October 2008 a meeting of the world Synod of Bishops scheduled by Pope Benedict XVI will focus on The Word of God in the Life and Mission of the Church Coinciding with that meeting is the launch of the Catholic Commentary on Sacred Scripture CCSS a series that responds to the desire of Catholics to access the living Word of God The Gospel of Mark is the first of seventeen volumes which will cover the entire New Testament Written by trusted Catholic biblical scholars these commentaries interpret Scripture in the light of Catholic tradition Accessibly written yet substantive the CCSS fills a gap in

the available literature by offering commentaries that cover more than brief study guides but are less daunting than scholarly commentaries      *Women and Gender in Central and Eastern Europe, Russia, and Eurasia* Mary Zirin,Irina

Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes      Soviet Security and Intelligence Organizations 1917-1990 Michael Parrish,1992-01-30

One of the hallmarks of the Soviet system was its heavy reliance on internal and foreign security and intelligence organizations Not surprisingly given the secrecy surrounding Soviet efforts in these areas no biographical reference tools and few bibliographies have been published to date In this context Michael Parrish s work is a unique undertaking In the first section to the volume biographies are provided on some 4 000 officials in senior and mid level positions who had served in Cheka NKVD RFSFR GPU KGB and other organizations Also included are officials of the Committee for State Control formerly Ministry of State Control and before that Commissariat of Workers and Peasants Inspection Prominent political personalities with earlier ties to security services such as N A Bulganin are listed even though such service formed only a brief part of their careers Others listed include party officials such as A A Kuznetsov who at different times served as the Party s watchdog of security organs Also included because of their close association with repression and security organs are members of Stalin s inner circle The second part of the volume is a survey of books in English published between 1917 and 1990 which related to Soviet security and intelligence organizations This is followed by a biographical addendum a glossary of terms and material showing the development of Soviet security organizations No one concerned with current intelligence issues and the role of security organizations in Soviet life can ignore this volume      **Architecture and Armed Conflict**

JoAnne Mancini,Keith Bresnahan,2014-07-11 *Architecture and Armed Conflict* is the first multi authored scholarly book to address this theme from a comparative interdisciplinary perspective By bringing together specialists from a range of relevant fields and with knowledge of case studies across time and space it provides the first synthetic body of research on the complex multifaceted subject of architectural destruction in the context of conflict The book addresses several specific research questions How has the destruction of buildings and landscapes figured in recent historical conflicts and how have people and states responded to it How has the destruction of architecture been represented in different historical periods

and to what ends What are the relationships between the destruction of architecture and the destruction of art particularly iconoclasm If architectural destruction is a salient feature of many armed conflicts how does it feature in post conflict environments What are the relationships between architectural destruction and processes of restoration recreation or replacement Considering multiple conflicts multiple time periods and multiple locations allows this international cohort of authors to provide an essential primer for this crucial topic *The Forgotten* Rev. Christopher Lawrence Zugger, 2001-04-01 This remarkable work traces the history of Soviet Catholicism from its rich life in 1914 through its tentative fate in the first sixty years of the USSR Rev Zugger tells of the faithful men and women shackled by dictatorship doomed to deportation and abandoned by their own church in the west Soviet Russia was an empire born of atheism with religion viewed as a threat to the state's notion of individualism By 1932 dictator Joseph Stalin firmly declared that religion would be extinct in the USSR within five years In this compelling volume Zugger details the Soviet campaign against Catholicism among many ethnic groups and worshippers whose devotion would not be shaken He shows how they kept faith alive in prison camps in remote villages in monastery prisons and in the secrecy of their homes where the light of faith continued to burn brightly while churches crumbled or became dance halls and office buildings This is the first book in English to recount the fate of Catholic Russia and the church in the various lands conquered by Soviet rule It is at once a memorial to those who perished a tribute to those who survived and a testament to the enduring power of faith *Sorrow and Blood* William D. Taylor, Antonia van der Meer, Reg Reimer, 2012-07-04 On behalf of the WEA Mission Commission William Carey Library is pleased to launch a landmark anthology and resource This is a new publication in the Globalization of Mission series *Sorrow Blood Christian Mission in Contexts of Suffering Persecution and Martyrdom* The editorial team of William Taylor USA Tonica van der Meer Brazil and Reg Reimer Canada worked over four years to compile this unique resource anthology This book is the product of the Mission Commission's global missiology task force and a worldwide team of committed colleagues and writers Some 62 writers from 23 nations have collaborated to generate this unique global resource and anthology Ajith Fernando of Sri Lanka and Christopher Wright of the UK each wrote prefaces to the book This latest WEA volume has the potential of profoundly shaping our approach to mission in today's challenging and increasingly dangerous world *Ordinary Life, Extraordinary God!* Helen McCormack, 2020-02-10 In a world that rushes at breakneck speed these devotions slow us down to consider Reflecting on nostalgic moments from the past and connecting points between everyday sights sounds and impressions with the timeless truths of God's Word Helen McCormack reminds us of what we may already know but need to pause and ponder Cynthia Ruchti bestselling author of more than 30 books Where the rubber meets the road is an oft repeated saying Similarly in Helen McCormack's devotional *Ordinary Life Extraordinary God* she puts shoes on God's Word the Bible by showing how the clear truth and rich wisdom of the Bible walks through her own life whether that life be in Lithuania Germany or here in the U S A wonderful read that will challenge yet bless the reader Patricia E Linson teacher retired author of the *Allister of*

Smith,2013-11-05 Since the end of the Cold War there has been an increased interest in the Baltics *The Baltic States* brings together three titles Estonia Latvia and Lithuania to provide a comprehensive and analytical guide integrating history political science economic development and contemporary events into one account Since gaining their independence each country has developed at its own pace with its own agenda and facing its own obstacles The authors examine the tensions accompanying a post communist return to Europe after the long years of separation and how each country has responded to the demands of becoming a modern European state Estonia was the first of the former Soviet republics to enter membership negotiations with the European Union in 1988 and is a potential candidate for the next round of EU expansion in 2004 Lithuania and Latvia have also expressed their desire for future membership of NATO and the EU **Lithuania** Thomas Lane,2014-04-08 This book offers a concise survey of Lithuania s peaceful transition to independence in the postcommunist era and shows how the country has moved to return to Europe whilst also resisting the dilution of her rich culture and traditions **Lithuania** V. Stanley Vardys,Judith Sedaitis,Mrs V Stanley Vardys,2018-02-19 This book explores Lithuania s pagan ancestry and epochal struggles with Germanic and Russian states and examines Lithuania s struggle with the legacy of Soviet rule as it strives to establish democracy and economic prosperity **The Cruel Radiance** Susie Linfield,2011-05-27 In *The Cruel Radiance* Susie Linfield challenges the idea that photographs of political violence exploit their subjects and pander to the voyeuristic tendencies of their viewers Instead she argues passionately that looking at such images and learning to see the people in them is an ethically and politically necessary act that connects us to our modern history of violence and probes the human capacity for cruelty Grappling with critics from Walter Benjamin and Bertolt Brecht to Susan Sontag and the postmoderns and analyzing photographs from such events as the Holocaust China s Cultural Revolution and recent terrorist

acts Linfield explores the complex connection between photojournalism and the rise of human rights ideals In the book s concluding section she examines the indispensable work of Robert Capa James Nachtwey and Gilles Peress and asks how photography should respond to the increasingly nihilistic trajectory of modern warfare A bracing and unsettling book The Cruel Radiance convincingly demonstrates that if we hope to alleviate political violence we must first truly understand it and to do that we must begin to look     Sharing God's Heart for the Poor Amy L.
