Beyond 400 David J. Cohen, Michael Parsons, 2011-01-01 This volume deals with the varied forms of shame reflected in biblical theological psychological and anthropological sources Although traditional theology and church practice concentrate on providing forgiveness for shameful behavior recent scholarship has discovered the crucial relevance of social shame evoked by mental status adversity slavery abuse illness grief and defeat Anthropologists sociologists and psychologists have discovered that unresolved social shame is related to racial and social prejudice to bullying crime genocide narcissism post traumatic stress and other forms of toxic behavior Eleven leaders in this research participated in a conference on The Shame Factor sponsored by St Mark s United Methodist Church in Lincoln NE in October 2010 Their essays explore the impact and the transformation of shame in a variety of arenas comprising in this volume a unique and innovative resource for contemporary religion therapy ethics and social analysis

This Is My Story Paul Beasley-Murray, 2018-06-28 This Is My Story is an unusually fascinating account of one man s life It is a story of the making of a man initially written with grandchildren in mind Who was my grandfather What kind of person was he At another level it is a story of a growing faith telling how amidst the ups and down of life he has remained a soft hearted pilgrim At yet another level it is a story of the making of a leader who never stopped learning how to lead care preach and engage in effective mission Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor Finally as one who has at time been at the center of controversy it is an opportunity to tell my side of the story This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader

Baptism and the Baptists Anthony R. Cross, 2017-06-20 Since its first publication in 2000 Baptism and the Baptists has become the definitive work on the subject It examines the theology and practice of believers baptism among twentieth century Baptists associated with the Baptist Union of Great Britain and identifies the major influences which have led to its development In the nineteenth and early twentieth century the majority of Baptists concentrated predominantly on the mode and subjects of baptism immersion and believers understanding the rite merely as an ordinance the believer s personal profession of faith in Christ However in continuity with a tradition of Baptists going back as far as the first Baptists in the second and third decades of the seventeenth century there were also a significant number of ministers and scholars who saw the inadequacy of this view of baptism both biblically and theologically This sacramental view developed and grew throughout the twentieth century and influenced a resurgence of baptismal sacramentalism in the early twenty first century among Baptists not just in Britain but also in North America Europe and further afield

12 Rules for Christian Activists Ellen Loudon, 2020-04-30 If you ve ever browsed the self help sections of any bookshop you d be forgiven for thinking that all we need to do in order to have a better life is to work hard take exercise and get thin Yet Christian activism calls us to a

Free Church, Free State Nigel G. Wright, 2011-11-29 A church free from state control and a state free from church control Such is one of the radical insights of a baptist vision of church and society What exactly is a baptist vision of the church What are the biblical historical and theological roots of this approach to Christian community What is the place of such a vision in the context of a global church that includes alternative notions of the body of Christ Free Church Free State is a textbook on baptist ways of being church and a proposal for the future of baptist churches in an ecumenical context Nigel Wright argues that both baptist small b and catholic small c church traditions should seek to enrich and support each other as valid expressions of the body of Christ without sacrificing what they hold dear Written for pastors church planters evangelists and preachers Nigel Wright offers frameworks of thought for baptists and non baptists in their journey together following Christ

The European Baptist Federation Keith G. Jones, 2009-11-01 A criticism often leveled at Baptists is that they have no theology of ecclesial reality beyond the local In this book Keith Jones describes the history and current reality of the European Baptist Federation EBF which brings together over fifty national Baptist groups in Europe and the Middle East and seeks to demonstrate that there is an ecclesial reality within the organization expressed in its communal life mission activity working on theological education in relationship to other Christian world communions and in its decision making processes The role of the pivotal figure of the General Secretary of the EBF is examined with particular reference to two significant figures The relationship of European Baptists during the cold war era is explored as is the relationship to two key mission agencies from the USA who have done much work in Europe This represents ground breaking work in terms of an examination of how Baptists in Europe work together trans nationally

A Bombshell in the Baptistry Justin Nalls, 2019-03-14 Who should be baptized Should a person who has not been baptized be allowed to become a member of a church What happens when a person is baptized There are a number of important questions about baptism that call for biblical and theological reflection on a more fundamental question what is baptism Perhaps no one in the twentieth century addressed that question more thoroughly than British New Testament scholar George Beasley Murray While touching on a range of issues related to baptism this book explores the influence that Beasley Murray s work has had on the debate about the meaning of baptism and shows why his work was referred to as a bombshell in the baptistry

A Sacred Trust Dean Anderson, 2015-08-25 Just what makes a Baptist a Baptist What are the beliefs that set Baptists apart from other Christian churches and are they of any real importance for the local church member who just wants to follow Jesus Four centuries of

Baptists have found those distinctive beliefs to be the command of Jesus in the Scripture have expressed their love for him by holding and practicing them and have passed that sacred trust down to us A church which fails to know and value its Baptist identity becomes subject to error and false teaching and loses the heritage for which its Baptist ancestors were willing to suffer and die The sermons in this book provide a helpful introduction to the beliefs which distinguish Baptists from other Christian groups and churches and help readers to consider those beliefs in their proper level of importance Extensive guides to additional resources in the distinctive beliefs of Baptists and in doctrinal preaching are provided for those desiring further study and for pastors interested in developing similar messages Includes endorsements from Chuck Kelley and Lloyd Harsch of New Orleans Baptist Theological Seminary and Fisher Humphreys of Beeson Divinity School *Church Growth in Britain* David Goodhew, 2017-05-15 There has been substantial church growth in Britain between 1980 and 2010 This is the controversial conclusion from the international team of scholars who have drawn on interdisciplinary studies and the latest research from across the UK Such church growth is seen to be on a large scale is multi ethnic and can be found across a wide range of social and geographical contexts It is happening inside mainline denominations but especially in specific regions such as London in newer churches and amongst ethnic minorities Church Growth in Britain provides a forceful critique of the notion of secularisation which dominates much of academia and the media and which conditions the thinking of many churches and church leaders This book demonstrates that whilst decline is happening in some parts of the church this needs to be balanced by recognition of the vitality of large swathes of the Christian church in Britain Rebalancing the debate in this way requires wholesale change in our understanding of contemporary British Christianity Protestant Spiritual Traditions, Volume Two Frank C. Senn, 2020-07-24 There is no single Protestant spirituality but rather Protestant spiritual traditions usually embedded in denominational families that share some basic Protestant principles These two volumes of Protestant Spiritual Traditions offer essays on twelve traditions written by scholars within those traditions plus a concluding essay that gathers a number of Protestant contributions to Christian spirituality and Western culture under the category of the body These thirteen essays discuss the contributions of significant spiritual figures from Martin Luther to Martin Luther King Jr and offer insights on a range of topics from the theology of the cross to physical fitness *Reinventing English Evangelicalism, 1966-2001* Robert E. Warner, 2007-12-01 This provocative book offers a revisionist history of the transdenominational initiatives of English evangelicals from 1965 to 2000 Warner provides an authoritative theological analysis and a constructive sociological critique This is an invaluable study for all those in the academy the church and wider society who want a fuller understanding of the social and religious significance and the evolutionary dynamics of this influential and diversifying religious tradition Recycling the Past or Researching History? Philip E. Thompson, Anthony R. Cross, 2007-10-01 Recycling the Past or Researching History brings together an international group of Baptist scholars who explore various issues in Baptist historiography and myths Contributors examine and re examine areas of Baptist life and

thought about which either little is known or the received wisdom is in need of revision Historiographical studies include the date Oxford Baptists joined the Abingdon Association the death of the Fifth Monarchist John Pendarves eighteenth century Calvinistic Baptists and the political realm confessional identity and denominational institutions Baptist community ecclesiology the priesthood of all believers soteriology Baptist spirituality Strict and Reformed Baptists the role of women among British Baptists while various myths challenged include the nature of high Calvinism in eighteenth century England baptismal anti sacramentalism episcopacy and Baptists and change The common theme tying these studies together is that research into Baptist history should deal with the primary sources and not as has too often been the case rely uncritically on the scholarship of previous generations *Grounded in Grace* Pieter J.ALLEMAN,Peter J. Morden,Anthony R.

Cross,2020-10-21 On 9 January 2013 Dr Ian M Randall celebrated his sixty fifth birthday For this occasion some friends and colleagues presented him with a Festschrift which reflects his achievements as a church historian with a particular interest in the Evangelical movement and spirituality It also mirrors his involvement with theological training in central and eastern Europe Over the last twenty years Dr Randall has also established himself as a leading historian of the Baptist churches in Europe The contributions to *Grounded in Grace* interact with his areas of interest Baptists the Anabaptist movement Evangelicalism and spirituality This book makes a valuable contribution to thinking in all these areas Scholars pastors other church leaders and students will profit hugely from it It contains a short biography and a bibliography of Ian s publications

Not an Easy Journey Walter B. Shurden,2005 Shurden on Baptists Assessments Appreciations Apologies contains articles essays and speeches given by Walter Shurden on Baptists Walter Shurden is a longtime champion of the role of freedom in the Baptist tradition Recognizing that freedom alone does not tell the whole story Shurden also speaks to and from other cardinal Baptist convictions Some of the materials in this volume appear for the first time and consist of speeches and addresses that Shurden has made at crucial points in recent Baptist life in America in the latter part of the twentieth century Especially concerned with the fundamentalist takeover of the Southern Baptist Convention and the resulting lack of emphasis on historic Baptist principles Shurden addresses directly and indirectly the SBC controversy in several of the chapters of this book More Shurden emphasizes what makes Baptists distinctive in American religious life *Ministry in Conversation* Andy

Goodliff,John E. Colwell,2022-04-13 In this book of essays for Paul Goodliff some of the loves of his life are put into conversation with the practice of ministry Paul Goodliff has been a Baptist minister for nearly thirty five years in roles that have been local regional national and ecumenical Ministry has also been the subject of his own research and publications *Ministry in Conversation* seeks to extend his work and offer new insights **Renewing a Modern Denomination** Andy

Goodliff,2021-01-19 This book is an exploration of the renewal of the Baptist Union of Great Britain in the 1990s the only historic UK denomination which grew in this period It was an exciting time with plenty of denominational activity and engagement both theological and institutional The book tells this story focusing on the particular individuals involved and the

wide ranging discussions centered around mission and identity ministry associating and ecumenism It argues that there were competing visions emerging from two different streams of thought which whilst not divisive caused tension At the end of the decade structural changes were introduced with hope for the new millennium but the book contends that opportunities were missed for a more deeply theological renewal

Theology of Reconciliation in the Context of Church Relations Rula Khoury Mansour, 2020-01-31 Christians are called to be peacemakers in a world rife with conflict but how should Christians respond when the source of strife is not outside the church but within it Built on an in depth analysis of three Palestinian church splits this text examines the cultural and theological implications of intra church conflict in Arab evangelical communities in Israel Translating Miroslav Volf s formative theology of reconciliation into her contemporary Palestinian context Dr Rula Khoury Mansour provides a critical evaluation of both Volf s theory and Palestinian peacemaking models Through her research and analysis Dr Mansour develops a Middle Eastern theology of reconciliation and encourages congregations around the world to develop greater cultural and theological awareness in their quest to experience lasting peace within their churches and wider communities

Orthodox Radicals Matthew C. Bingham, 2019 During the mid seventeenth century Baptists existed on the fringes of religious life in England Matthew C Bingham examines this early group and argues that they did not see themselves as a part of a larger all encompassing Baptist movement Rather their rejection of infant baptism was but one of a number of doctrinal revisions then taking place among English puritans Orthodox Radicals is a much needed complication of our understanding of Baptist identity setting the early English Baptists in the cultural political and theological context of the wider puritan milieu out of which they arose
