**Scientific Models for Religious Knowledge** Andrew Ralls Woodward, 2018-08-14 Most comparisons of science and religion are really comparisons of science and Christianity or science and Islam and so forth In *Scientific Models for Religious Knowledge* the author aims to get outside typical polarized debates between traditional a priori theism and radical scientific naturalism Instead a new science and religion compatibility system between a scientific study of religion and a religious epistemology is our new elusive problem Moreover we shall look at a comparison and contrast of modern science with the simple deference of the human mind to the actions of culturally postulated superhuman agents This book pays critical attention to the contributions of scholars in the philosophy of religion the philosophy of science and the scientific study of religion *Scientific Models for Religious Knowledge* is useful for readers looking to expand their learning in the philosophies of science and religion as these subjects are taught and analyzed in modern research universities *The Last Ghost Dance* Brooke Medicine Eagle, 2009-03-04 In the celebrated *Buffalo Woman Comes Singing* Brooke Medicine Eagle revealed her extraordinary spiritual odyssey from her first guided steps on the medicine path to her ongoing work as one of

the most respected Native American teachers of the modern era Now she shares a groundbreaking approach to spiritual transformation by revitalizing the powerful ancient ritual The Ghost Dance Four centuries ago when European invaders were ruthlessly plundering indigenous cultures a Paiute tribesman received a vision of hope and resurrection given by Father Spirit to help survivors of the onslaught create a beautiful new life in the face of defeat broken dreams and death That vision was celebrated in an ecstatic ghost dance honoring those who had perished Brooke Medicine Eagle explains how and why we are profoundly connected to The Ghost Dance As she herself becomes initiated into the illusion of death and the wisdom of heart centered ascension she teaches us how to confront our deepest fears overcome our resistance to change and renew our lives Through prayer music and dance Medicine Eagle provides us with the tools to bring about the final fulfillment of this profound ritual by living in harmony with earth s rhythms practicing sustainable living honoring and sharing with all our relations and freeing ourselves from the burden of possessions and possessiveness Perceptive practical and luminous The Last Ghost Dance is a call to action a challenge to raise up from the ashes of our desecrated planet a world that welcomes the full flowering of the spirit and a new age of abundance love and peace Dreamcrafting Paul Levesque, Art

authentic conversations around topics like masturbation pornography consent rape contraception abortion homophobia and queer affirmation exploring how the author has evolved in these and many other areas and challenging the church to do the same Part memoir and part manifesto this book reframes Christian sexual ethics in profoundly important ways elevating the love and grace of God above Evangelical purity culture It has the power to radically transform conversations around various aspects of our sexuality within the Christian religion and broader society Endorsements Reconstructing Sexual Ethics is a courageous compassionate and deeply needed work With honesty theological depth and a commitment to love and justice Eady Jay dismantles harmful purity culture teachings and charts a healthier grace filled path forward This book gives voice to those who have long wrestled with shame and silence and it offers a vision of sexuality that is life giving liberating and faithful Rev Brandon Robertson author of Queer Christian Reclaiming the Bible our Faith and our Place at the Table Eady Jay goes there She transparently and bravely deconstructs and breaks down the oppressive forces of puritanical culture that she was raised with and that are still embedded in mainstream culture today You may or may not agree with everything she has written but we are all better for it Why Because exploring the relationship between faith and sexuality serves to liberate us from centuries of our joy being suppressed and our sexuality being oppressed She writes with abundant grace keen insights and a clear heart for Christ aiming to reform our relationship with our bodies one another and God I have no doubt that her words will illuminate others on a similar journey Chantal McKinney author of Following Jesus Beyond Church Walls This is a book I have always wanted to write and Eady Jay has done it better Gripping accessible and humble in its wrestling with the Scripture tradition and ordinary life her story welcomes readers across the spectrum of faith and sexuality to find inspiration challenge and even affirming echoes of their own experiences Vulnerability and courage write themselves across every page in the unanswered questions honest explorations and uncertain steps that define a journey we all face in learning how to more fully embody the truth we see about God in our diverse expressions of sexuality Dr Kevin Jenson theologian and author of Sacred not Sinful A New Christian Ethic Reconstructing Sexual Ethics is a refreshingly frank yet deeply pastoral reimagining of Christian sexual ethics It affirms the essential dynamics of queerness gender equity and consent offering clarity and compassion for those seeking a more just and loving vision of sexuality Alongside other voices that deepen intersectionality and expand its scope it is an important and thought provoking resource that I highly recommend Jamie Arpin Ricci founder of The Rainbow Well Eady Jay has given us something remarkable in Reconstructing Sexual Ethics With honesty and courage she speaks directly to those who have deconstructed some or all of their faith weaving together deeply personal stories with a thoughtful and robust theological vision The result is an invitation into a sexual ethic free from the harmful rhetoric of purity culture and grounded instead in freedom dignity and grace Jessica Vanderwyngaard Producer of I Survived I Kissed Dating Goodbye and the Where Do We Go From Here Podcast Radical Honesty Brad Blanton, 1996-04-01 At once shocking entertaining and profound Radical Honesty is revolutionary book that takes a fresh look

at how we live love and attempt to heal ourselves in modern society Radical Honesty is not a kinder gentler self help book In it Dr Brad Blanton a psychotherapist and expert on stress management explodes the myths superstitions and lies by which we live He shows us how stress comes not from the environment but from the self built jail of the mind What keeps us in our self built jails is lying We all lie like hell Dr Blanton says It wears us out it is the major source of all human stress It kills us Not telling our friends lovers spouses or bosses about what we do feel or think keeps us locked in that jail The way out is to get good at telling the truth Dr Blanton provides the tools we can use to escape the jail of the mind This book is the cake with the file in it In Radical Honesty Dr Blanton coaches us on how to have lives that work how to have relationships that are alive and passionate and how to create intimacy where none exists As we have been taught by the philosophical and spiritual sources of our culture for thousands of years from Plato to Nietzsche from the Bible to Emerson the truth shall set you free
