E. Peretti,2015-06-16 Now available in one volume three thrillers from Frank Peretti The Oath An ancient sin A long forgotten oath A town with a deadly secret Something evil is at work in Hyde River an isolated mining town in the mountains of the Pacific Northwest Under the cover of darkness a predator strikes without warning taking life in the most chilling and savage fashion The community of Hyde River watches in terror as residents suddenly vanish Yet the more locals are pressed for information the more they close ranks sworn to secrecy by their forefathers hidden sins Only when Hyde River's secrets are exposed is the true extent of the danger fully revealed What the town discovers is something far more deadly than anything they'd imagined Something that doesn't just stalk its victims but has the power to turn hearts black with decay as it slowly fills their souls with darkness The Visitation The sleepy eastern Washington wheat town of Antioch has become a gateway for the supernatural from sightings of angels and a weeping crucifix to a self-proclaimed prophet with an astounding message The national media and the curious all flock to the little town a great boon for local business but not for Travis Jordan The burned out former pastor has been trying to hide his past in Antioch Now the whole world is headed to his backyard to find the Messiah and in the process every spiritual assumption he has ever held will be challenged The startling

secret behind this visitation ultimately pushes one man into a supernatural confrontation that has eternal consequences  
Monster Some monsters are real Miles away from the hectic city Reed and Rebecca hike into the beautiful Northwester  
woods They are surrounded by gorgeous mountains waterfalls and hundreds of acres of unspoiled wilderness During their  
first night camping an unearthly wail pierces the calm of the forest Then something emerges from the dense woods  
Everything that follows is a blur to Reed except the unforgettable image of a huge creature carrying his wife into the  
darkness Enter into deep wilderness where the rules of civilization no longer apply A world where strange shadows lurk  
Where creatures long attributed to overactive imaginations and nightmares are the hunters and people are the hunted
