The Spyglass File Nathan Dylan Goodwin, 2016-08-30 Morton Farrier was no longer at the top of his game His forensic genealogy career was faltering and he was refusing to accept any new cases preferring instead to concentrate on locating his own elusive biological father Yet when a particular case presents itself that of finding the family of a woman abandoned in the midst of the Battle of Britain Morton is compelled to help her to unravel her past Using all of his genealogical skills he soon discovers that the case is connected to The Spyglass File a secretive document which throws up links which threaten to disturb the wrongdoings of others who would rather its contents as well as their actions remain hidden forever This is the fifth book in the Morton Farrier genealogical crime mystery series although it can be enjoyed as a stand alone story Further information and a FREE prequel story for the series is available from the author s website at nathandylangoodwin.com **A Flying Life: An Enthusiast's Photographic Record of British Aviation in the 1930s** Richard Riding, 2014-03-27 A Flying Life An Enthusiast s Photographic Record of British Aviation in the 1930s consists of photographs that were taken by E J Riding the author s father who spent his working life in the aviation industry He was apprenticed to A V Roe Company and employed as an aircraft engineer up to the war During the war Riding became an AID inspector and was seconded to Fairey Aviation London Aircraft Production and the de Havilland Aircraft Company latterly signing out Halifax bombers and Mosquitoes as airworthy and ready for test flying Sadly Riding was killed in a flying accident in 1950 During his short life he gained a lasting reputation as an engineer professional photographer draughtsman and aero modeller Riding began taking

photographs of aircraft in 1931 aged fifteen Fortunately he kept copious notes recording the locations and dates of when and where aircraft were photographed More importantly he noted aircraft colour schemes details rarely recorded by the press at the time The aircraft types photographed by Riding ranged from the Tiger Moth RAF fighters ultra lights to airliners the whole giving a good cross section of flying in Britain up to the outbreak of the Second World War The book s photographs are of excellent quality and do not all consist of sterile bog standard side views Many depict aircraft being stripped for maintenance and servicing others show aircraft dumped or after having crashed Although approached in a generally light hearted manner the book features in depth and informative captions *The British National Bibliography* Arthur James Wells,1992 [Air Pictorial](#) ,1996 **The Silver Spitfire** Tom Neil,2013-02-28 A brilliantly vivid Second World War memoir by one of the Few Spitfire fighter pilots Following the D Day landings Battle of Britain hero Tom Neil was assigned as an RAF liaison to an American fighter squadron As the Allies pushed east Neil commandeered an abandoned Spitfire as his own personal aeroplane Erasing any evidence of its provenance and stripping it down to bare metal it became the RAF s only silver Spitfire Alongside his US comrades he took the silver Spitfire into battle until with the war s end he was forced to make a difficult decision Faced with too many questions about the mysterious rogue fighter he contemplated increasingly desperate measures to offload it including bailing out mid Channel He eventually left the Spitfire at Worthy Down never to be seen again THE SILVER SPITFIRE is the first hand gripping story of Neil s heroic experience as an RAF fighter pilot and his reminiscences with his very own personal Spitfire *A Guide to Military History on the Internet* Simon Fowler,2007 There are thousands of websites devoted to all aspects of military history from ancient Greece to the modern Gulf This unique book helps you find the ones that will help with your research whether you are checking out a soldier ancestor or an airman or researching a naval campaign It also features sites that are entertaining or controversial Sections cover the British armed services and their long military history but the author also describes in detail websites that focus on American and Canadian forces A Guide to Military History on the Internet is a companion volume to Pen and Sword s best selling Tracing Your Army Ancestors by the same author [Whitaker's Book List](#) ,1991 *Whitaker's Books in Print* ,1998 *The Official Index to the Times* ,1968 *Official Index to the Times* ,1958 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement [Palmers' Index to the Times Newspaper](#) ,1955 *The Aeroplane* ,1919 **The Aeroplane and Commercial Aviation News** ,1958 **Lullingstone Park** ,1983 [Aeroplane and Commercial Aviation News](#) ,1958 **Jahresbibliographie** Bibliothek für Zeitgeschichte (Germany),1993 [The Bookseller](#) ,1981
