MENTOR
CLASSIC

SONG OF WARS AND KINGS

Beowulf is the earliest extant poem in a modern European language. It was composed in England four centuries before the Norman Conquest. As a social document this great epic poem is invaluable—reflecting a feudal, newly Christian world of heroes and monsters, blood and victory and death. As a work of art it is quite unique; *Beowulf* rings with a beauty, power, and artistry that have kept it alive for more than twelve centuries.

The noble simplicity of *Beowulf*'s anonymous Anglo-Saxon singer is recaptured once more in a vivid new translation by Burton Raffel. "Not long after Homer was fortunate enough to find Richmond Lattimore for his *Iliad* and Robert Fitzgerald for his *Odyssey*, the Old English poet found Raffel for his *Beowulf*. ...Raffel is a poet. Every page of his *Beowulf* declares this truth."—from the Afterword by Robert P. Creed

Poet and translator, Burton Raffel is a part-time editor, a full-time writer, and an ex-Wall Street lawyer. Now resident in Philadelphia, he has taught English at colleges in the United States and abroad. He has published a volume of shorter Old English translations; poems translated from Indonesian and from Thai are scheduled for future publication. He is currently at work on a novel.
