Rag and Bone Michael Nava, 2001 Gay Mexican American attorney Henry Rios is recovering from a heart attack when he learns that he has a niece that is charged with killing her abusive husband **Chicano Detective Fiction** Susan Baker Sotelo, 2015-03-10 In his 1985 novel *Partners in Crime* writer Rolando Hinojosa introduced homicide investigator Rafe Buenrostro the first Chicano protagonist in one of the most enduring genres of modern literature Since that time Chicano writers have embraced the detective novel successfully diversifying and refining a traditional Anglo American and British genre The 21 whodunits of Hinojosa *Rudolfo Anaya Lucha Corpi* Michael Nava and Manuel Ramos are closely studied in this groundbreaking work The models both contemporary and Romantic of this relatively new Chicano genre are first discussed Next come detailed analysis and reviews of such novels as *Shaman Winter Partners in Crime Cactus Blood* and 18 others focusing on how each writer departs from contemporary detective genre formula uniquely rendering a particular regional or cultural variation of what it means to be Chicano It is this departure from the norm that defines these writings and distinguishes them from the Anglo American and British whodunit Interviews with the writers conclude the work **The Gay Detective Novel** Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes Latino Los Angeles in Film and Fiction Ignacio L—pez-Calvo, 2011-02-15 Los Angeles has long been a place where cultures clash and reshape The city has a growing number of Latina o authors and filmmakers who are remapping and reclaiming it through ongoing symbolic appropriation In this illuminating book Ignacio L pez Calvo foregrounds the emotional experiences of authors implicit authors narrators characters and readers in order to demonstrate that the evolution of the imaging of Los Angeles in Latino cultural production is closely related to the politics of spatial location This spatial temporal approach he writes reveals significant social anxieties

repressed rage and deep racial guilt Latino Los Angeles in Film and Fiction sets out to reconfigure the scope of Latino literary and cultural studies Integrating histories of different regions and nations the book sets the interplay of unresolved contradictions in this particular metropolitan area The novelists studied here stem from multiple areas including the U S Southwest Guatemala and Chile The study also incorporates non Latino writers who have contributed to the Latino culture of the city The first chapter examines Latino cultural production from an ecocritical perspective on urban interethnic relations Chapter 2 concentrates on the representation of daily life in the barrio and the marginalization of Latino urban youth The third chapter explores the space of women and how female characters expand their area of operations from the domestic space to the public space of both the barrio and the city A much needed contribution to the fields of urban theory race critical theory Chicana o Latina o studies and Los Angeles writing and film L pez Calvo offers multiple theoretical perspectives including urban theory ecocriticism ethnic studies gender studies and cultural studies contextualized with notions of transnationalism and post nationalism

Ralph E. Rodriguez, 2009-03-06 Winner Modern Language Association Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies 2006 Popular fiction with its capacity for diversion can mask important cultural observations within a framework that is often overlooked in the academic world Works thought to be merely escapist can often be more seriously mined for revelations regarding the worlds they portray especially those of the disenfranchised As detective fiction has slowly earned critical respect more authors from minority groups have chosen it as their medium Chicana o authors previously reluctant to write in an underestimated genre that might further marginalize them have only entered the world of detective fiction in the past two decades In this book the first comprehensive study of Chicano a detective fiction Ralph E Rodriguez examines the recent contributions to the genre by writers such as Rudolfo Anaya Lucha

Corpi Rolando Hinojosa Michael Nava and Manuel Ramos Their works reveal the struggles of Chicanas/os with feminism homosexuality familia masculinity mysticism the nationalist subject and U S Mexico border relations He maintains that their novels register crucial new discourses of identity politics and cultural citizenship that cannot be understood apart from the historical instability following the demise of the nationalist politics of the Chicano movement of the 1960s and 1970s In contrast to that time when Chicanas/os sought a unified Chicano identity in order to effect social change the 1980s 1990s and 2000s have seen a disengagement from these nationalist politics and a new trend toward a heterogeneous sense of self The detective novel and its traditional focus on questions of knowledge and identity turned out to be the perfect medium in which to examine this new self
