Mowery,2013 A military operation unlike any other on American soil Morgan s Raid was characterized by incredible speed superhuman endurance and innovative tactics One of the nation s most colorful leaders Confederate general John Hunt Morgan took his cavalry through enemy occupied territory in three states in one of the longest offensives of the Civil War The effort produced the only battles fought north of the Ohio River and reached farther north than any other regular Confederate force With twenty five maps and more than forty illustrations Morgan s Raid historian David L Mowery takes a new look at this unprecedented event in American history one historians rank among the world s greatest land based raids since Elizabethan times **Raiding with Morgan** Byron Dunn,2012-11-21 General John H Morgan was one of the most picturesque figures in the Civil War an officer without a peer in his chosen line During the two

years of his brilliant career he captured and paroled at least ten thousand Federal soldiers and kept three times that number in the rear of the Federal army guarding communications When we consider the millions of dollars worth of property he destroyed and how he paralyzed the movements of Buell we do not wonder that he was considered the scourge of the Army of the Cumberland General Morgan was a true Kentucky gentleman and possessed one of the kindest of hearts The thousands of persons captured by him almost invariably speak of the good treatment accorded them The following incident reveals more clearly than words his generous spirit In reporting a scout he says Stopped at a house where there was a sick Lincoln soldier who died that night No men being in the neighborhood his wife having no person to make a coffin or bury him I detailed some men who made a coffin The adventures of Calhoun as a secret agent of the Knights of the Golden Circle opens up a portion of the history of the Civil War which may be almost unknown to our younger readers During the war the whole North was honeycombed with secret societies whose members denounced Lincoln as a usurper and a bloody monster and maintained that the government had no right to coerce the South They resisted the draft encouraged desertions and embarrassed the Federal Government in every way possible In secret many of the leaders plotted armed rebellion the liberation of Confederate prisoners and the burning of Northern cities They held out inducements to the South to invade the North and there is but little doubt that Morgan was lured to his destruction by their representations Shortly after the close of the war the author met a gentleman who had served on the staff of General Breckinridge This officer affirmed that he carried a message from Breckinridge to Morgan saying that the former had positive information that forty thousand armed Knights stood ready to assist Morgan if he would invade Indiana Everything goes to show that Morgan relied on these reports and it was this belief that induced him to disobey the orders of General Bragg It is an interesting question whether General Breckinridge was really privy to the plans of the Knights and whether he secretly encouraged Morgan to disobey orders hoping that the appearance of a Confederate force in the North would lead to the overthrow of the Lincoln Government and the independence of the South The author has taken the ground that Breckinridge was fully cognizant of Morgan's intended move This volume mentions only the greatest of the General's raids and the author has tried to narrate them with historical accuracy as regards time place and circumstances In stating the number of his men his losses and the damage he inflicted on the Federals the General's own reports have been followed these as was to be expected differ widely in many cases from those of the Federal officers The tale of the exploits of Calhoun is substantially true though the hero himself is fictitious for every one of his most notable feats was accomplished by one or other of Morgan's men It was Lieutenant Eastin of Morgan's command who killed Colonel Halsey in single combat Calhoun's achievements in the escape from the Ohio Penitentiary were actually performed by two different persons a sharp dining room boy furnished the knives with which the prisoners dug their way to liberty Captain Thomas H Hines planned and carried to a successful termination the daring and ingenious escape Captain Hines fled with General Morgan and every adventure which befell Calhoun in The Flight to the South actually befell

Captain Hines      *Raiding With Morgan (Esprios Classics)* Byron A. Dunn,2020-12-28 The Southerners had lost their beloved commander slain a third of their number had fallen Although defeated they had not been conquered They had set forth from Corinth in the highest hopes fully expecting to drive Grant s army into the Tennessee River This hope was almost realized when it suddenly perished twenty thousand fresh troops had arrived upon the field and the Confederates were forced to retreat But they had fallen back unmolested for the Federal army had been too severely punished to think of pursuing Both armies were willing to rest and have their decimated ranks filled with fresh troops      *Julia Cutler and Morgan's Raid* Harriett Dawes Wilson,1960      The Cavalry of the Army of the Ohio Dennis W. Belcher,2024-06-28 At the outset of the Civil War the cavalry of the Army of the Ohio Michigan Ohio Indiana Illinois Pennsylvania Kentucky and Tennessee was a fledgling force beginning an arduous journey that would make it the best cavalry in the world In late 1862 most of this cavalry was transferred to the Army of the Cumberland and a second cavalry force emerged in the second Army of the Ohio Throughout the war these regiments fought in some of the most important military operations of the war including Camp Wildcat Mill Springs the siege of Corinth raids into East Tennessee the capture of Morgan during his Great Raid and the campaigns of Middle Tennessee Perryville Knoxville Atlanta and Nashville This is their complete history      *Tales from the Kentucky Hemp Highway* Dan Isenstein,2021-08-09 Among the many hidden gems in Bluegrass history is the state s long relationship with hemp a history noted by a historical Hemp Highway designation Archibald McNeil was the first to plant the crop in the state in 1775 In 1803 John Wesley Hunt opened the first hemp bagging factory in the United States and helped transform Lexington into the Athens of the West Another grower Thomas Barbee had a child with an enslaved person and freed his children on his deathbed His grandson became a hemp grower as well New organizations like Homestead Alternatives and Zelios Inc have taken that history into the modern world Author Dan Isenstein details the history of the crop and the historic trail dedicated to it      Morgan's Raid Into Ohio Ronald Max Gard,1963      *History of Columbiana County, Ohio* Horace Mack,1879      **Field, Fort and Fleet** M. Quad,1885      **The Union Cause in Kentucky, 1860-1865** Thomas Speed,1907 When the struggle of the Union leaders of Kentucky is thus characterized surely it is in order to present the facts which repel the charge and justify their conduct When it is gravely written in accepted histories of Kentucky that the flower of the military material of Kentucky went into the Confederate army surely it is in order to present the record facts of the period which show that the most conspicuous rush to arms in Kentucky was to save the Union and not to destroy it
