Bowers, 1988 *Railroad Wars of New York State* Timothy Starr, 2012-07-24 New York's railroads were born of the cutthroat conflict of rate wars bloody strikes and even federal graft The railroad wars began as soon as the first line was chartered between Albany and Schenectady when supporters of the Erie Canal tried to block the new technology that would render their waterway obsolete After the first primitive railroads overcame that hurdle they began battling with one another in a series of rate wars to gain market share Attracted by the success of the rails the most powerful and cunning capitalists in the country Cornelius Vanderbilt Jay Gould Daniel Drew and other robber barons joined the fray Timothy Starr's account of New York's railroad wars steams through the nineteenth century with stories of

Our Railroads To-Morrow Edward Hungerford,2022-07-20 For nearly a hundred years now we have been upbuilding the railroad structure of the world America pioneered in its creation Our fathers and our fathers fathers cannot now remember the day when the call of the iron horse was not heard across the land The railroad train has become part and parcel of our lives And even though in these days with our motor cars at the curb we may have come to scorn the railroad train for our own short travels we know full well that it brings the milk to our doorstep the coal to our bins the provender to our larders It helps weave the fabric upon our backs build the shoes upon our feet form the hats upon our heads At every corner every turn we are dependent upon the railroad Therefore there is not a man or a woman in the entire United States to whom its present plight should not be of the keenest interest and importance Pennsylvania Railroad's Broadway Limited Joe Welsh,2006
