Maxon, Thomas P. Ofcansky, 2014-09-09 Kenya has a long and complex history that began thousands of years ago Indeed some archaeologists contend that the country was the cradle of mankind or at the very least one of the places that was home to the earliest hominids In later centuries Kenya's strategic location astride the Indian Ocean and the East African littoral attracted numerous foreign peoples some of the most significant of which have been the Americans Arabs British Chinese French Germans and Portuguese Additionally Africans from throughout the subcontinent have settled in Kenya to escape conflict or political persecution while others wanted an opportunity to begin a new life As a result of being a gateway to the world the country traditionally has been one of the most important business cultural diplomatic and political centers in Africa Although it has maintained this reputation during the post independence period Kenya like most African countries has been plagued by an increasing array of complex economic political and social problems This third edition of Historical Dictionary of Kenya provides a starting point for those interested in any of the phases of Kenya's historical evolution This is done through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Kenya **Trapped in History** Nicholas Rankin, 2023-11-14 Trapped in History tells how the British colonised Kenya and how African nationalism arose under Jomo Kenyatta It describes the terrifying first attacks by the guerrilla freedom fighters known as Mau Mau Though defeated the Mau Mau hastened the end of British rule in Kenya Trapped in History explores the effect the uprising on the author who grew up as a child in the Kenya colony The book is both a history as well as a memoir of the end of Empire **Railway Across the Equator** Amin, Willetts, Matheson, 1996-10-02 *Chimpanzee Travels* Dale Peterson, 2003 A lifelong fascination with primates led Dale
