**Rain Later, Good** Peter Collyer, 2013-09-12 *Rain Later Good* is the award winning story of Peter Collyer's extraordinary journey around the Shipping Forecast areas and has been a bestseller since first publication. The artist's brilliant and detailed paintings reproduced actual size offer a series of images which help conjure up the most mythical locations whilst his delightful idiosyncratic text provides a wealth of fascinating insights. He introduces us to the people who live and work in these areas and passes on snippets of tantalising information to give a powerful impression of the place and convey a real feeling of being there. The beautiful paintings which come from Peter Collyer's travels truly capture the spirit of these wild and isolated spots. This is a book to be treasured and its reissue will be welcomed by Peter's many admirers. A very remarkable painter.
