Allen, William T. Bailey, 1913 The American Shorthorn Herd Book, 1916 **The Mrożek Reader** Sławomir Mrożek, 2004  
Sławomir Mrożek has reigned as the pre-eminent playwright and satirist of Eastern Europe for the past half century. A sharp critic of all oppressive systems during the Cold War, he began his career as a young enthusiast for the new Communist regime in the early 1950s. It didn't take long, however, until he was deemed such a threat that his work was banned, not only in his native Poland but also in all Eastern bloc countries. After the fall of Communism, he returned home from self-imposed exile in the West and was recognized as a major literary figure. This reissue of fourteen plays and ten short stories, along with a sampling of his capricious cartoons, affirms Mrożek's mastery of a wide spectrum of styles and illustrates the development of his talent over the decades. From the vantage point of the twenty-first century, Mrożek's questioning of authority, his razor-sharp sense of the comic, and his spirit of contradiction seem as fresh and as relevant as ever. *LADY'S MAGAZINE*, 1843

BLACKWOOD'S LADY'S MAGAZINE A. II. BLACKWOOD, 1849 Drama for a New South Africa David Graver, 1999  
A solid addition to international drama. Library Journal: Going beyond the parameters of conventional literary drama, these seven new plays express life issues in post-apartheid South Africa: Islamic fundamentalism, women's rights, ecology, Afrikaans culture, and the new multi-racial life of the inner city. While theater rooted in the anti-apartheid movement was rich and vibrant, it was also single-minded in focus, obscuring the diversity of South African culture now brought to life in these works.

*Winter's Graces* Susan Avery Stewart, 2025-07-30  
Filled with unexpected good news about growing older, *Winter's Graces* highlights eleven qualities that ripen with age, including audacious authenticity, creative ingenuity, necessary fierceness, self-transcending generosity, and a growing capacity to savor life and to ride its ups and downs with humor and grace. Decades of research have established that the catastrophic conditions often associated with late life, such as severe dementia and debilitating frailty, are the exception, not the rule. Still, the mistaken idea that aging equals devastating decline persists, causing enormous and unnecessary suffering, especially for women. Drawing on decades of experience as a psychology professor and psychotherapist, Susan Stewart, PhD, weaves together inspiring folk stories that illustrate the graces of winter and recent research that validates them, along with a wealth of user-friendly tools and practices for amplifying these graces and bringing them to life. Written primarily for women over 50 seeking good news about growing older, *Winter's Graces* offers adults of all ages a compelling vision of aging that celebrates its many gifts, acknowledges its challenges, and reveals how the last season of life can be the most fulfilling of all.
