The Advocate ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **Our Families, Our Values** Robert Goss,Amy Adams Squire Strongheart,2019-07-16 Our Families Our Values challenges both the gay community and American society to examine carefully the meaning of family values and the nature of social institutions such as marriage and the family It asks you provoking even disturbing questions such as Is it prudent for members of the Lavender community to mimic heterosexual marriage or define personal relations networks as families when these institutions are rapidly collapsing Are we attempting to mainstream American society into accepting different views of marriage and families Are we subscribing to notions of sexual property that are inherent to the marriage ceremony and the institution of marriage when we choose to be married Despite the complexities of this issue marriage constitutes a privileged position in western society and as this book shows you without the legal recognition of same sex marriages there are many fundamental rights as well as privileges denied to gay lesbian bisexual and transgendered persons As Our Families Our Values turns upside down the widely accepted notion

that only heterosexual people are entitled to get married have sex and rear children you gain insight into personal struggles and affirmations that testify to the spirituality procreativity and wholesomeness of the diverse relationships of the Lavender community You will also learn about various ongoing efforts to give religious pride to the various configurations of gay relationships families and values and the disruption of popular interpretations of the Scriptures that have been used to justify the oppression of sexual minorities This book will intrigue you over and over again as you read about value systems transphobia equal marriage rights Buddhism s rejection of traditional family values Brazil s sex positive culture differences between gay male social formations and families choosing a language and terms that empower sexual minorities and the essence of the liberation movement sex as communion relationships based on nurture not transaction Designed for academics and students of religion pastors priests rabbis and lay readers alike Our Families Our Values is a multifaceted view of the gay community s response to the public controversy over gay marriage adoption and foster care rights Ideal as a textbook for courses in sexuality theology sociology women s studies and gay and lesbian studies this book will both inform you and delight you as it reminds you that same sex unions bring much cause for celebration and that religion and homosexuality are not mutually exclusive

Gays, Lesbians, & Family Values Elizabeth A. Say, Mark R. Kowalewski, 1998 The religious right claims to be the champions of family values political shorthand for the reassertion of the traditional heterosexual nuclear family complete with traditional gender roles of working Dad and stay at home Mom raising godly children Elizabeth Say and Mark Kowalewski present a new view Exploring not only the ways gays and lesbians live as families but also the values that emerge from their shared experiences they skillfully construct an ethic of five family values preserving fidelity seeking mutuality and accountability giving life sustaining identity and community and nurturing erotic power These values the authors suggest are integral to all intimate relationships When put into practice they have the power to transform families from oppressive systems to places of acceptance growth and stability
