the shiny black stone he finishes reading yet another Sorcerers Shadow novel entitled The Pirates Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerers Shadow to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind *In Search of the Rainbow's End* Colin Caffell, 2020-01-09 THE TRUE STORY BEHIND MAJOR ITV DRAMA WHITE HOUSE FARM NOW ON NETFLIX An extraordinary book both deeply moving and quietly inspiring FREDDIE FOX A beautiful very moving book CRESSIDA BONAS In 1985 the shocking murder of a family of five in a quiet country house in Essex rocked the nation The victims were Nevill and June Bamber their adopted daughter Sheila Caffell divorced from her husband Colin and Sheila and Colin's twin sons Nicholas and Daniel Only one survivor remained the Bamber's other adopted child Jeremy Bamber Following his lead the police and later the press blamed the murders on Sheila who so the story went then committed suicide Written by Sheila's ex husband Colin and originally published in 1994 *In Search of the Rainbow's End* is the first and only book about the White House Farm murders to have been written by a family member It is the inside story of two families into whose midst the most monstrous events erupted When Jeremy Bamber is later convicted on all five counts of murder Colin is left to pick up the pieces of his life after not only burying his ex wife two children and parents in law but also having to cope with memories of Sheila almost shattered by a predatory press hungry for stories of sex drugs and the high life Colin's tale is not just a rare insider's picture of murder but testimony to the strength and resilience of one man in search of healing after trauma he describes his process of recovery a process that led to his working in prisons helping to rehabilitate among others convicted murderers By turns emotive terrifying and inspiring Colin Caffell's account of mass murder and its aftermath will not fail to move and astonish *Accidental* Tim James, 2024-04-04 Nominated for the best popular science book of 2024 by Smart Book Who said science was dry Certainly not Tim James New York Post James writes with infectious enthusiasm and optimism Kirkus Reviews A science teacher by profession Mr James knows how to get his audience's attention Wall Street Journal Humorous yet deep Professor Charles Antoine A rip roaring adventure through science gone wrong and accidentally changing humanity mostly for the better We may imagine that science is a process of breakthroughs and light bulb moments But in reality science goes wrong 99% of the time Almost every idea a scientist comes up with is quickly disproved by a failed experiment or rival research Science moves at a rate of inches per decade and we often like it that way But occasionally just occasionally a complete fluke happens and changes everything as we know it From an untimely sneeze in a petri dish leading to the groundbreaking creation of antibiotics to the incredible discovery of microwaves via melted chocolate *Accidental* is a
