Schmidt,2014-09-01 It's going to be one hell of a great everlastingly great book with humor tears fun emotion and love Judy Garland said of her plans to tell her life story But she died at the age of forty seven before seeing it through Judy Garland on Judy Garland is the closest we will likely come to experiencing and exploring the legend's abandoned autobiography Collecting and presenting the most important Garland interviews and encounters that took place between 1935 and 1969 this work opens with her first radio appearance under contract with Metro Goldwyn Mayer and concludes with her last known interview one taped for Radio Denmark just months before her

death What makes this collection unique and distinguishes it from the plethora of Garland biographies is that it places Judy in the role of storyteller She wrote a number of essays for various publications and sat for countless print radio and television interviews These and the other autobiographical efforts she made are proof that Judy Garland wanted her story told and wanted it told in her own words Finally here it is
