## **Rainbows Through Tears:**

Promise of the Rainbow Through My Tears Richard Claude Valdez, 2011-06-22 *Promise of the Rainbow Through My Tears* is a collection of romantic lyrical and metaphysical poems together with songs and ballads. The themes are a roving vagabond's stroll amongst images, scenes and telling experiences. Some reflect profound memories, pleasant and unpleasant, seen through the eyes of childhood and adolescence. Some are filled with a young man's romance and ripe with rhyme and imagery. While others are introspective and searching, an old man's coming to grips with his mortality. Above all, these poems tell the story of life's journey from the cradle along the dream of life to the grave and beyond. The poems themselves are not divided into any particular order or theme; they roam much like the author's experiences and gather their own rhythm as their theme dictates. Although the poetic style of rhyme is not popular in modern poetry, much can be found throughout this collection, which accents the author's nonconventional approach to his work. What is evident though is the varied themes reflected in this volume, which suggests that any reader will find some poem or line that would draw on his or her personal experience.

**Rainbows Through Tears** Eva H. Groce, 1979-01-01      *Rainbows in the Mud* Paul Maunder, 2017-08-10 Cyclocross is no longer cycling's hidden gem. Its rapid growth in the USA and UK means this intense and dramatic sport is exploding into the mainstream. With a season running from September to February, cyclocross is cycling's only purely winter discipline, demanding a combination of athleticism, supreme technical skill and ruthless tactics for the muddy conditions. In the sport's heartland of Belgium, major races attract crowds of thousands and have a carnival atmosphere fuelled by heavy drinking, ringing cowbells and pumping airhorns. Many top riders have enthusiastic fanclubs and are national celebrities; one even had his own reality TV show. On race day, Belgian and Dutch television coverage is akin to a major football match in the UK, stretching for hours with prerace interviews, pundits and behind-the-scenes films. In *Rainbows in the Mud*, Paul Maunder spends a season soaking up the sport's rich culture and history and mixing with the obsessive fans, celebrity riders and old-fashioned patriarchs of the sport. Following the riders, novices, veterans, American, British as they slog their way through the season, he captures the spirit of this flamboyant cult sport and paints a picture so vibrant you can almost feel the mud under your feet and taste the beer, mulled wine and frites.
