Contemporary Earth and animal activists rarely collaborate perhaps because environmentalists focus on species and  
ecosystems while animal advocates look to the individual and neither seems to have much respect for the other This diverse  
collection of essays highlights common ground between earth and animal advocates most notably the protection of wildlife  
and personal dietary choice If earth and animal advocates move beyond philosophical differences and resultant divergent  
priorities turning attention to shared goals both will be more effective and both animals and the environment will benefit  
Given the undeniable seriousness of the environmental problems that we face including climate change and species  
extinction it is essential that activists join forces Drawing on a wide range of issues and disciplines ranging from wildlife  
management hunting and the work of NGOs to ethics ecofeminism religion and animal welfare this volume provides a  
stimulating collection of ideas and challenges for anyone else who cares about the environment or animals      **A Lover's**

some of this country s most notable poets among them Irving Layton Michael Ondaatje Anne Carson Tim Lilburn Susan

Musgrave Christopher Dewdney and done so in prose of great subtlety and style Indeed in Starnino s literary criticism seditiousness and insight are made to live inside sentences that always square their shoulders and draw themselves to their full verbal height A Lover s Quarrel culls some of the highlights of Starnino s dissenting exploits and includes the never before published title essay an ambitious reassessment of Canadian poetry For readers unfamiliar with Starnino s criticism the release of A Lover s Quarrel furnishes the perfect opportunity to read one of the few critics in Canada who can speak his mind and speak it well      **Index de Périodiques Canadiens** ,2000      Quill & Quire ,2009      **Canadian Books in Print.
