Beneath the Umbrella's Edge Rama Pemmaraju Rao, MD, 2002-04-01 Beneath the Umbrella's Edge is a seguel to the book Be SELF Centered not self centered It is an intimate dialogue in question and answer form between Dr Rama's Higher Self and the feminine aspect of Source known as the Divine Mother In this book the Divine Mother essence discusses how living on Earth is a paradox of rain and shine where we have the opportunity to learn to live in balance and harmony to appreciate God Is Simple - Everything Else Is Complex Pemmaraju Rao, 2001-11-08 There are so many complex life s shades of gray volumes written on spirituality however God is essentially simple and the experience of the Divine is available to all We are already enlightened beings and we are our own masters It is a matter of rediscovery and remembrance This book succinctly summarizes key elements in the process of enlightenment Read it as an invitation to deepen understanding about the main underlying elements of all religions and paths of light Everything in our lives is considered spiritual practice when we take a different angle of vision Yet enlightenment seems elusive to humanity because of the complexities within our own restless minds Reading the book will awaken a deeper appreciation of what the basic principles are behind the inner life regardless of what path we are on The clarity gained from this work in spiritual understanding enables us to go deeper and deeper into our own being until we reach the infinite consciousness or Source that is beyond as well as within the body and mind We then move closer and closer to rest in enlightenment our true nature and essence This book directly states that we are all the great Self as the ancient and modern masters and mystics have experienced and proclaimed and states that the purpose of life is to rediscover our own enlightenment It then addresses and discusses issues of Spirit that we may intuitively know but perhaps have not yet clarified or solidified a deeper understanding It goes on to filter down to the core elements of spiritual practice that lead us to a state of enlightenment It discusses the nature of the mind and ego and what keeps us from spontaneously experiencing the Inner Light The book then discusses healing and why we must keep the body and mind as fit instruments to more fully experience balance equanimity and equipoise Optimal health is resting in enlightenment through the balance of body and mind as ancient seers discovered eons ago The book embraces a freeing and refreshing philosophy of life that validates the choice to pursue any path that is suitable to us as we understand the underlying common elements on the road to enlightenment The shared common goal of all paths in essence is to rediscover the simplicity of the God Source Overland Monthly and the Out West Magazine ,1929 Eagle'S Cry Liz Godwin, 2015-06-15 When within us all Johanna van Zweel meets William the first day of January in 1900 she doesnt intend to fall in love and certainly not with an Australian A foreigner an uitlander William and his mate Eddie have come to South Africa seeking to make their fortunes in gold With her parents away observing the Commando Law in the Orange Free State Johanna is tasked with ensuring Eagles Nest the family farm in Barberton runs smoothly and efficiently to support her brothers and sisters each of whom is a player in the arena of a cruel war She sees that her active duty in the war effort is to keep the farm running to provide food and
