Raise Up Off Me

Hampton Hawes, Don Asher

Raise Up Off Me:

Raise Up Off Me Hampton Hawes, Don Asher, 2001-11-06 Hampton Hawes 1928 1977 was one of jazz's greatest pianists. Among his peers from California, the self-taught Hawes was second only to Oscar Peterson. At the time of his celebration as New Star of the Year by Downbeat magazine in 1956, Hawes was already struggling with a heroin addiction that would lead to his arrest and imprisonment and the interruption of a brilliant career. In 1963, President John F. Kennedy granted Hawes an Executive Pardon. In eloquent and humorous language, Hampton Hawes tells of a life of suffering and redemption that reads like an improbable novel. Gary Giddins has called it a major contribution to the literature of jazz. This book includes a complete discography and eight pages of photographs.

Raise Up Off Me Hampton Hawes, Don Asher, 1974 A virtuoso performance of astonishing range, this book is the unsparingly honest and deeply moving account of a life lived *allegro con brio*. The autobiography of a brilliant musician whose story transcends the glittery jazz world with its dark nether side of drugs and despair to speak directly to the black experience in postwar America. Adapted from dust jacket snippet

Smack Eric C. Schneider, 2013-04-19 Why do the vast majority of heroin users live in cities? In his provocative history of heroin in the United States, Eric C. Schneider explains what is distinctively urban about this undisputed king of underworld drugs. During the twentieth century, New York City was the nation's heroin capital; over half of all known addicts lived there, and underworld bosses like Vito Genovese, Nicky Barnes, and Frank Lucas used their international networks to import and distribute the drug to cities throughout the country, generating vast sums of capital in return. Schneider uncovers how New York, as the principal distribution hub, organized the global trade in heroin and sustained the subcultures that supported its use. Through interviews with former junkies and clinic workers and in-depth archival research, Schneider also chronicles the dramatically shifting demographic profile of heroin users. Originally popular among working-class whites in the 1920s, heroin became associated with jazz musicians and Beat writers in the 1940s. Musician Red Rodney called heroin the trademark of the bebop generation. It was the thing that gave us membership in a unique club, he proclaimed. *Smack* takes readers through the typical haunts of heroin users: 52nd Street jazz clubs, Times Square cafeterias, Chicago's South Side street corners, to explain how young people were initiated into the drug culture. *Smack* recounts the explosion of heroin use among middle-class young people in the 1960s and 1970s. It became the drug of choice among a wide swath of youth, from hippies in Haight-Ashbury and soldiers in Vietnam to punks on the Lower East Side. Panics over the drug led to the passage of increasingly severe legislation that entrapped heroin users in the criminal justice system without addressing the issues that led to its use in the first place. The book ends with a meditation on the evolution of the war on drugs and addresses why efforts to solve the drug problem must go beyond eliminating supply.

Rehab on the Range Holly M. Karibo, 2024 The first study of the Fort Worth Narcotic Farm, an institution that played a critical role in fusing the War on Drugs, mass incarceration, and public health in the American West. In 1929, the United States government approved two ground-breaking and controversial drug addiction treatments.

programs At a time when fears about a supposed rise in drug use reached a fevered pitch the emergence of the nation's first narcotic farms in Fort Worth Texas and Lexington Kentucky marked a watershed moment in the treatment of addiction Rehab on the Range is the first in depth history of the Fort Worth Narcotic Farm and its impacts on the American West Throughout its operation from the 1930s to the 1970s the institution was the only federally funded drug treatment center west of the Mississippi River Designed to blend psychiatric treatment physical rehabilitation and vocational training the Narcotic Farm its proponents argued would transform American treatment policies for the better The reality was decidedly more complicated Holly M Karibo tells the story of how this institution once framed as revolutionary for addiction care ultimately contributed to the turn towards incarceration as the solution to the nation's drug problem Blending an intellectual history of addiction and imprisonment with a social history of addicts experiences Rehab on the Range provides a nuanced picture of the Narcotic Farm and its cultural impacts In doing so it offers crucial historical context that can help us better understand our current debates over addiction drug policy and the rise of mass incarceration

Trey,2012-09-20 Thaddeus Bruce Raymond III is an aspiring writer who knows a thing or two about weddings since he has been in more of them over the years than he can count Always the groomsman never the groom Thaddeus has no problem being invited to a wedding or even being in one but he feels haunted by the fact that he has yet to stroll down the matrimonial aisle in a wedding of his own A great guy by anyones standards Thaddeus has to reconcile that he remains single due to circumstances which have caused him to be a bit reluctant to fall in love Tiffany Waters his first love and the mother of his child is a constant thorn in Thaddeus side Her need to control him and every aspect of his relationship with their daughter has reared its ugly head as the main culprit in making him apprehensive when it comes to relationships with women in general Once bitten and twice shy in matters of the heart Thaddeus tries to focus on reaching his goals in life while constantly juggling issues concerning love baby mama drama a dead end job and other stresses in life A damaged perception of relationships has Thaddeus all but ready to give up on any idea of finding a wifethat is until Vanessa comes along Beautiful witty and down to earth Vanessa turns out to be the perfect match for Thaddeus but is it too late for him to separate himself from his past issues with women long enough to cultivate a relationship with Vanessa Can love conquer all or will his past break the heart of his future *The Wedding Man* is an engrossing story of one mans desire to move past his trust issues and insecurities in order to give love a chance There And Back Roy Porter,1995-11-01 **West Coast Jazz** Ted

Gioia,1998-10 From the Preface by Ted Gioia All of these musicians fought their way back over the next decade and their success in re-establishing themselves as important artists was perhaps the first signal initially unrecognized as such that a re-evaluation of the earlier West Coast scene was under way Less fortunate than these few were West Coasters such as Sonny Criss Harold Land Curtis Counce Carl Perkins Lennie Niehaus Roy Porter Teddy Edwards Gerald Wilson and those others whose careers languished without achieving either a later revival or even an early brief taste of fame Certainly some West Coast jazz players have been awarded a central place in jazz history but invariably they have been those who like Charles Mingus or Eric Dolphy left California for Manhattan Those who stayed behind were for the most part left behind The time has

come for a critical re evaluation of this body of work With more than forty years of perspective since modern jazz came to California we can perhaps now begin to make sense of the rich array of music presented there during those glory years But to do so we need to start almost from scratch We need to throw away the stereotypes of West Coast jazz reject the simplifications catchphrases and pigeonholings that have only confused the issue So many discussions of the music have begun by asking What was West Coast jazz as if some simple definition would answer all our questions And when no simple answer emerged how could it when the same critics asking the question could hardly agree on a definition of jazz itself this failure was brandished as grounds for dismissing the whole subject My approach is different I start with the music itself the musicians themselves the geography and social situation the clubs and the culture I tried to learn what they have to tell us rather than regurgitate the dubious critical consensus of the last generation Was West Coast jazz the last regional style or merely a marketing fad Was there really ever any such thing as West Coast jazz If so was it better or worse than East Coast jazz Such questions are not without merit but they provide a poor start for a serious historical inquiry I ask readers hoping for quick and easy answers to approach this work with an open mind and a modicum of patience Generalizations will emerge broader considerations will become increasingly clear but only as we approach the close of this complex story after we have let the music emerge in all its richness and diversity By starting with some theory of West Coast jazz we run the risk of seeing only what fits into our theory Too many accounts of the music have fallen into just this trap Instead we need to see things with fresh eyes hear the music again with fresh ears

Giant Steps Kenny Mathieson, 2020-01-16 A music journalist offers a lively history of modern jazz through its formative and most vital decades from Charlie Parker to John Coltrane In *Giant Steps* Kenny Mathieson examines the most important figures in the creation of modern jazz detailing the emergence and evolution of bebop through the likes of Dizzy Gillespie Fats Navarro Bud Powell Thelonious Monk and Miles Davis Using this as its starting point Mathieson then delves into the developments of jazz composition modal jazz and free jazz The music of the great masters is examined in detail and will provide both a fine introduction for the large audience newly attracted to the music but unsure of their direction through it as well as an entertaining and informative read for those with a more substantial background

Outside and Inside Reva Marin, 2020-10-16 *Outside and Inside* Representations of Race and Identity in White Jazz Autobiography is the first full length study of key autobiographies of white jazz musicians White musicians from a wide range of musical social and economic backgrounds looked to black music and culture as the model on which to form their personal identities and their identities as professional musicians Their accounts illustrate the triumphs and failures of jazz interracialism As they describe their relationships with black musicians who are their teachers and peers white jazz autobiographers display the contradictory attitudes of reverence and entitlement and deference and insensitivity that remain part of the white response to black culture to the present day *Outside and Inside* features insights into the development of jazz styles and culture in the urban meccas of twentieth century jazz in New Orleans Chicago New York and

Los Angeles Reva Marin considers the autobiographies of sixteen white male jazz instrumentalists including renowned swing era bandleaders Benny Goodman Artie Shaw and Charlie Barnet reed instrumentalists Mezz Mezzrow Bob Wilber and Bud Freeman trumpeters Max Kaminsky and Wingy Manone guitarist Steve Jordan pianists Art Hodes and Don Asher saxophonist Art Pepper guitarist and bandleader Eddie Condon and New Orleans style clarinetist Tom Sancton While critical race theory informs this work Marin argues that viewing these texts simply through the lens of white privilege does not do justice to the kind of sustained relationships with black music and culture described in the accounts of white jazz autobiographers She both insists upon the value of insider perspectives and holds the texts to rigorous scrutiny while embracing an expansive interpretation of white involvement in black culture Marin opens new paths for study of race relations and racial ethnic and gender identity formation in jazz studies **Played: A Billionaire Romance** Violet Haze,2017-07-18 *Here and Now* Kimberla Lawson Roby,2020-07-21 In this powerful classic by New York Times bestselling author Kimberla Lawson Roby two sisters as different as night and day must find the light in each other amid their darkest times Brilliant and vibrant Marcella Jones had the whole world in her hands until she gave her heart to the wrong man Tyrone was handsome and charismatic but he left her destitute raising two small children alone and yearning for the kind of life her dead end job will never provide Marcella s elder sister Racquel lives in a fine home has a fulfilling career and the love of Kevin her handsome successful supportive husband Yet her desperate longing for a child is driving her into a deep depression and away from Kevin Marcella and Racquel are so hungry for what the other has they are tearing their lives apart Only with each other s help can they heal the hurt and celebrate the joy of everything that s been given to them *Thelonious Monk* Robin D.
