[Experiencing the Rolling Stones](#) David Malvinni,2016-02-25 More than fifty years after their founding the Rolling Stones still tour and create new music as the world s quintessential rock band David Malvinni s *Experiencing the Rolling Stones A Listener s Companion* looks at the Stones music from the inside out Along the journey Malvinni places individual songs and entire albums within the transformative era of the 60s focusing on how the Rolling Stones integrated African American R B blues and rock and roll into a uniquely British style Vignettes describing what it was like to hear the Stones music at the time of its release thread their way through the book as Malvinni goes beyond the usual stories surrounding the Stone s most significant songs Tracing the distinctive sound that runs through their catalog from chord progressions and open guitar tuning to polyrhythmic Afro Caribbean beats and their innovative use of nontraditional instruments Malvinni shows how the Stones have retained their unmistakable identity through the decades *Experiencing the Rolling Stones* draws together a broad swath of postwar history as it covers the band s origins in Swinging London their interest in the Beat generation the powerful attraction of Morocco on their lives and music the infamous drug busts that nearly destroyed the band the female muses who inspired them the disaster at Altamont their flight from England as tax

exiles and the recording sessions outside of England Malvinni takes an especially close look at Keith Richards guitar work and its effect on the band s music as well as the multiple changes in the band s members such as the addition of guitarists Mick Taylor and Ron Wood Experiencing the Rolling Stones delivers a musical adventure for both the lifelong fan and the first time listener just discovering the magnitude and magnificence of the Stones music stardom and legacy

The Funk Movement Reiland Rabaka,2024-10-23 Rabaka explores funk as a distinct multiform of music aesthetics politics social vision and cultural rebellion that has been remixed and continues to influence contemporary Black popular music and Black popular culture especially rap music and the Hip Hop Movement The Funk Movement was a sub movement within the larger Black Power Movement and its artistic arm the Black Arts Movement Moreover the Funk Movement was also a sub movement within the Black Women s Liberation Movement between the late 1960s and late 1970s where women s funk especially Chaka Khan and Betty Davis s funk was understood to be a form of Black musical feminism that was as integral to the movement as the Black political feminism of Angela Davis or the Combahee River Collective and the Black literary feminism of Toni Morrison or Alice Walker This book also demonstrates that more than any other post war Black popular music genre the funk music of the 1960s and 1970s laid the foundation for the mercurial rise of rap music and the Hip Hop Movement in the 1980s and 1990s This book is primarily aimed at scholars and students working in popular music studies popular culture studies American studies African American studies cultural studies ethnic studies critical race studies women s studies gender studies and sexuality studies

Death in Briar Bottom Timothy Silver,2024-11-11 On July 3 1972 twenty four hippies from Clearwater Florida set up tents and settled in for the night at Briar Bottom a public US Forest Service campground in western North Carolina The impromptu campout was a pit stop for the group on their way to a Rolling Stones concert in Charlotte Early that evening they drank beer smoked marijuana and listened to rock music as they anticipated the good times that lay ahead Near midnight the county sheriff showed up with six deputies allegedly responding to a noise complaint They were armed with pistols and five sawed off 12 gauge shotguns one of which discharged killing a young man named Stanley Altland To this day no one has been held responsible for the tragic incident though it happened in front of over a dozen eyewitnesses Timothy Silver writes the true story of Altland s death and its aftermath using archival research interviews with surviving Clearwater campers and newly unearthed FBI files A mix of true crime southern history and personal storytelling this book shows how in the dark of night at a remote mountain campsite the killing of an innocent man epitomized the suspicion of young people and violence toward the counterculture that gripped the nation in the early 1970s

The Rock Canon CarysWyn Jones,2017-07-05 Canons are central to our understanding of our culture and yet in the last thirty years there has been much conflict and uncertainty created by the idea of the canon In essence the canon comprises the works and artists that are widely accepted to be the greatest in their field Yet such an apparently simple construct embodies a complicated web of values and mechanisms Canons are also inherently elitist however Carys Wyn Jones here

explores the emerging reflections of values terms and mechanisms from the canons of Western literature and classical music in the reception of rock music Jones examines the concept of the canon as theorized by scholars in the fields of literary criticism and musicology before moving on to search for these canonical facets in the reception of rock music as represented by ten albums Bob Dylan's Highway 61 Revisited The Beach Boys Pet Sounds The Beatles Revolver The Velvet Underground's The Velvet Underground Nico Van Morrison's Astral Weeks Marvin Gaye's What's Going On The Rolling Stones Exile on Main St Patti Smith's Horses The Sex Pistols Never Mind the Bollocks Here's the Sex Pistols and Nirvana's Nevermind Jones concludes that in the reception of rock music we are not only trying to organize the past but also mediate the present and any canon of rock music must now negotiate a far more pluralized culture and possibly accept a greater degree of change than has been evident in the canons of literature and classical music in the last two centuries **Billboard**, 2010-04-03 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **iPod and iTunes For Dummies** Tony Bove, 2013-02-13 Get going with your iPod iTunes and this perennial bestseller now in full color iPod iTunes For Dummies is the ultimate beginner's guide for getting started with your iPod and Apple's iTunes service Now in its tenth edition this helpful guide has been completely overhauled and boasts a full color format for the first time ever Veteran For Dummies author Tony Bove introduces you to the different iPod models explains how to power up your iPod and shows you how to set up iTunes You'll learn to personalize your device add music tracks from a CD to your iTunes library set up a playlist sync your content and apps with iCloud and much more Offers straightforward coverage of using your iPod as the ultimate digital music player and shows you how to choose the iPod model that's right for you get started with your iPod set up iTunes master the touch interface and shop at the iTunes Store Teaches you how to add music tracks from a CD to your iTunes library play content in iTunes set up playlists share content from your iTunes library and manage photos and videos Walks you through sending and receiving e-mail downloading and using apps fine tuning sound updating and troubleshooting and maintaining battery life Provides updates for iOS 6 and the latest iPod models and older favorites including the iPod touch iPod nano iPod shuffle and iPod classic Get in tune with the latest and the greatest music videos and more iPod iTunes For Dummies 10th Edition puts you on track to enjoying iTunes and your iPod today
