**Johanna Chovanec, Olof Heilo**

## **Roman Affair:**

*A Roman Affair* Ercole Patti, 2009-07 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work      **Affairs of Rome**

Anonymous, 2023-03-28 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      **Correspondence Respecting the Affairs of Rome, 1870-71** Great Britain. Parliament, 1871      **Roman Affair** Rachel Lindsay, 1976-01-01      **Roman Affair** Muriel Janes, 1989

*A Roman Affair* , 1957      *A Roman Affair* Ercole Patti, Constantine Fitzgibbon, 2013-10 This is a new release of the original 1957 edition      **Correspondence Respecting the Affairs of Rome 1849** Gran Bretagna, 1849\*      *Your Cheeky Guide to the Roman Empire* Peta Greenfield, Fiona Radford, 2024-11-05 Whether you think much about the Roman Empire or not the legendary stories and fun facts in this book of Ancient Roman history are sure to shock you Discover just how far the Romans would go to please the gods the most torrid love affairs the fun that emperors had to create to keep themselves entertained and the never ending scandals that caused serious outrage in Ancient Roman society This collection of trivia and history includes the rise of Spartacus the most famous rebel of them all the tale of the goddess Vesta who saves Tuccia a priestess wrongly accused of losing her chastity the story behind the Romans developing a cult for the goddess Cybele also known as the Mother of the Gods and much more Whether you re a Roman Empire enthusiast or someone whose knowledge only comes from the movie *Gladiator* this book has facts and trivia that will be sure to both educate and entertain you

**Recollections** Alexis de Tocqueville, 2017-09-29 Tocqueville was not only an active participant in the French Revolution of 1848 he was also a deeply perceptive observer with a detached attitude of mind He saw the pitfalls of the course his country was taking more clearly than any of his contemporaries including Karl Marx *Recollections* was first written for self clarification It is both an exciting candid behind the scenes account of what actually happened during those tumultuous months and a remarkably shrewd analysis that has become an accurate forecast of future societies wrestling with the dilemma of synthesizing equality and freedom Thus the book has a relevance that extends beyond France to our own country and others a relevance that is explored in J P Mayer s new introduction Out of print in English for several years *Recollections* is presented here in a translation based on the definitive French edition of 1964 It captures the wit and subtlety of mind that have made this book one of the most popular of all Tocqueville s works Tocqueville s own comments which he wrote into the manuscript including his variants are given and the editors have added explanatory notes      *Public Portents in Republican Rome* Susanne William Rasmussen, 2003 The Romans were a superstitious bunch with public portents forming an integral

role in most political and social ceremonies and rituals This detailed analysis of prodigia unusual events that were reported to the Senate who then proclaimed that event as an unfavourable portent does not look at what these events reveal about Roman psychology but instead focuses on the sociological consequences of this complete integration of politics and religion during the Republican period Much of the book comprises a table of prodigies gathered from primary sources notably Livy's *Ab urbe condita* and Julius Obsequens' *Ab anno urbis conditae* DV prodigium liber This data is supported by detailed discussions of Cicero and public divination the relationship between divination and science the types of portents and the nature of religio politics Danish summary      Twentieth-century Italian Literature in English Translation Robin Healey, 1998-01-01 This bibliography lists English language translations of twentieth century Italian literature published chiefly in book form between 1929 and 1997 encompassing fiction poetry plays screenplays librettos journals and diaries and correspondence      *The Dreyfus Affair's Literary Politics* Roderick Cooke, 2023-02-15 *The Dreyfus Affair's Literary Politics* offers a new interpretation of writers' political engagements in the crisis that ended the French nineteenth century following the wrongful treason conviction of Captain Alfred Dreyfus Zola and three writers connected to him Ferdinand Brunetiere Henry Cerdant and Saint Georges de Bouhlier drew on their affinities and antagonisms concerning Zola's naturalist fiction to shape their political discourse in the Dreyfus Affair Zola and Bouhlier were Dreyfusards Brunetiere and Cerdant anti Dreyfusards yet in each case they transformed a vision of what literature should be into arguments about French national identity the proper relationship between literary and political thought and the tensions between individual rights and raison d'etat Developing a method entitled microhistories of ideas Cooke shows that a longitudinal approach to each writer's career yields a set of central unit ideas that reappear in the new emotive context of the Affair Through close readings of material such as pamphlets newspaper columns and aesthetic essays the significance of often ephemeral writing to the larger questions of intellectual history and to the outcome of the Dreyfus Affair itself becomes clear      The Main Enemy Milt Bearden, James Risen, 2003-05-06 A landmark collaboration between a thirty year veteran of the CIA and a Pulitzer Prize winning journalist *The Main Enemy* is the dramatic inside story of the CIA KGB spy wars told through the actions of the men who fought them Based on hundreds of interviews with operatives from both sides *The Main Enemy* puts us inside the heads of CIA officers as they dodge surveillance and walk into violent ambushes in Moscow This is the story of the generation of spies who came of age in the shadow of the Cuban missile crisis and rose through the ranks to run the CIA and KGB in the last days of the Cold War The clandestine operations they masterminded took them from the sewers of Moscow to the back streets of Baghdad from Cairo and Havana to Prague and Berlin but the action centers on Washington starting in the infamous Year of the Spy when one by one the CIA's agents in Moscow began to be killed up through to the very last man Behind the scenes with the CIA's covert operations in Afghanistan Milt Bearden led America to victory in the secret war against the Soviets and for the first time he reveals here what he did and whom America backed and why Bearden was called back to Washington after the

Soviets withdrew from Afghanistan and was made chief of the Soviet East European Division just in time to witness the fall of the Berlin Wall the revolutions that swept across Eastern Europe and the implosion of the Soviet Union Laced with startling revelations about fail safe top secret back channels between the CIA and KGB double and triple agents covert operations in Berlin and Prague and the fateful autumn of 1989 The Main Enemy is history at its action packed best

Narrated Empires Johanna Chovanec,Olof Heilo,2021-02-05 This book examines the role of imperial narratives of multinationalism as alternative ideologies to nationalism in Central and Eastern Europe the Balkans and the Middle East from the revolutions of 1848 up to the defeat and subsequent downfall of the Habsburg and Ottoman empires in 1918 During this period both empires struggled against a rising tide of nationalism to legitimise their own diversity of ethnicities languages and religions Contributors scrutinise the various narratives of identity that they developed supported encouraged or unwittingly created and left behind for posterity as they tried to keep up with the changing political realities of modernity Beyond simplified notions of enforced harmony or dynamic dissonance this book aims at a more polyphonic analysis of the various voices of Habsburg and Ottoman multinationalism from the imperial centres and in the closest proximity to sovereigns to provinces and minorities among intellectuals and state servants through novels and newspapers Combining insights from history literary studies and political sciences it further explores the lasting legacy of the empires in post imperial narratives of loss nostalgia hope and redemption It shows why the two dynasties keep haunting the twenty first century with fears and promises of conflict coexistence and reborn greatness **Italian Literature since 1900 in English**

**Translation 1929-2016** Robin Healey,2019-03-07 Providing the most complete record possible of texts by Italian writers active after 1900 this annotated bibliography covers over 4 800 distinct editions of writings by some 1 700 Italian authors Many entries are accompanied by useful notes that provide information on the authors works translators and the reception of the translations This book includes the works of Pirandello Calvino Eco and more recently Andrea Camilleri and Valerio Manfredi Together with Robin Healey s Italian Literature before 1900 in English Translation also published by University of Toronto Press in 2011 this volume makes comprehensive information on translations from Italian accessible for schools libraries and those interested in comparative literature The History of Make-Believe Holly Haynes,2003-12-11 A

theoretically sophisticated and illuminating reading of Tacitus especially the Histories this work points to a new understanding of the logic of Roman rule during the early Empire Tacitus in Holly Haynes analysis does not write about the reality of imperial politics and culture but about the imaginary picture that imperial society makes of these concrete conditions of existence the making up and believing that figure in both the subjective shaping of reality and the objective interpretation of it Haynes traces Tacitus s development of this fingere credere dynamic both backward and forward from the crucial year A D 69 Using recent theories of ideology especially within the Marxist and psychoanalytic traditions she exposes the psychic logic lurking behind the actions and inaction of the protagonists of the Histories Her work demonstrates how

Tacitus offers penetrating insights into the conditions of historical knowledge and into the psychic logic of power and its vicissitudes from Augustus through the Flavians. By clarifying an explicit acknowledgment of the difficult relationship between *res* and *verba* in the *Historiae*, Haynes shows how Tacitus calls into question the possibility of objective knowing: how he may in fact be the first to allow readers to separate the objectively knowable from the objectively unknowable. Thus Tacitus appears here as going further toward identifying the object of historical inquiry and hence toward an objective rendering of history than most historians before or since.

*Popular Anti-Catholicism in Mid-Victorian England* Denis G. Paz, 1992. Anti-Catholic sentiment was a major social, cultural, and political force in Victorian England, capable of arousing remarkable popular passion. Hitherto, however, anti-Catholic feeling has been treated largely from the perspective of parliamentary politics or with reference to the propaganda of various London-based anti-Catholic religious organizations. This book sets out Victorian anti-Catholicism in a much fuller and more inclusive context, accounting for its persistence over time, distinguishing it from anti-Irish sentiment, and explaining its social, economic, political, and religious bases locally as well as nationally. The author is principally concerned with determining what led ordinary people to violent acts against Roman Catholic targets: violent acts against Roman Catholics, petitions joining anti-Catholic organizations, and reading anti-Catholic literature. All too often, English history and even British history turns out to be the history of what was happening in the West End. One of the special distinctions of this book is that it shows the interplay between national issues and their local conditions. The book covers the period ca.

Delphi Collected Works of Alexis de Tocqueville (Illustrated) Alexis de Tocqueville, 2022-03-28. Alexis de Tocqueville was a French nineteenth-century political philosopher and historian. His landmark work *Democracy in America* (1840) analyses the improved living standards and social conditions of individuals as well as their relationship to the market and state in Western societies. The treatise won Tocqueville an immediate reputation as an esteemed political scientist. In later years, he turned to the subject of the French Revolution, and after years of research, he published *The Old Regime and the Revolution*, exploring French society before the French Revolution, the so-called Ancien Régime, while investigating the forces that led to the 1789 Revolution. The book is now generally considered one of the major early historical works on the subject, which expands on Tocqueville's main theory about the Revolution: the theory of continuity. This eBook presents Tocqueville's collected, almost complete works with numerous illustrations, rare texts, informative introductions, and the usual Delphi bonus material. Version 1. Beautifully illustrated with images relating to Tocqueville's life and works. Concise introductions to the major texts. All the major essays with individual contents tables. Features rare translations appearing for the first time in digital publishing. Images of how the books were first published, giving your eReader a taste of the original texts. Excellent formatting of the texts. Rare memoirs and letters. Features a brief biography. Ordering of texts into chronological order and genres.
