A Shorter Commentary on Romans Karl Barth, 2007-01-01 This reissue of Barth's A Shorter Commentary on Romans links to the renewed interest today in a theological interpretation of Scripture In response to the modern preoccupation with what lies behind the text the author's context and to a postmodern preoccupation with what lies in front of the text the reader's context both theologians and biblical scholars are asking the following questions What is the relationship between the biblical text interpreter and God Can the Bible be read both as an historical document and as a text that speaks to us today and if so how can it do so Barth's commentarial practice as exemplified in A Shorter Commentary on Romans answers these questions This book is presented in two parts first an introduction by Maico Michielin helping readers

understand Barth's theological exegetical approach to interpreting Scripture and showing readers how to let Scripture address theological and ethical concerns for today the main body of the book then follows the republication of the original English translation by D H van Daalen of Barth's A Shorter Commentary on Romans

A Complementary Approach to the Interpretation and Translation of Biblical Metaphors Peter Kamande Thuo, 2021-01-31 In this in depth study Peter Kamande Thuo explores the complexity of accurately understanding interpreting and translating Scripture especially biblical metaphors Engaging the need for a stronger theoretical framework for conceptualizing and communicating metaphors across languages Dr Thuo proposes a complementary approach that utilizes relevance theory to bridge gaps presented by conceptual metaphor theory and cognitive linguistics Yet this book is far more than an abstract theoretical treatise Dr Thuo offers the example of the circumcised heart of Romans 2 as a case study providing practical guidance for his readers as he demonstrates the process of translating such a phrase into Kikuyu So doing he reminds us that the challenge of understanding interpreting and applying biblical metaphors across culture and language is not limited to the work of professional translation Rather it is at the heart of all scholarship discipleship and pastoral teaching and the task of every person engaged in reading the word of God

Spurgeon, 2020-05-31 In a world torn by racial social economic political and gender tensions the message of Romans is deeply relevant and needed It is a message both powerful and simple Christ loved us while we were enemies of God Can we then not follow his example and love those who are different than us Romans will prepare us to do so The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the Body of Christ in Asia by providing pastoral and contextual exposition of every book of the Bible

The Present Truth and the LGBTQ+ Movement Nelson Mercado, 2024-10-15 The Present Truth refers to God's end time messages intended to prepare the world to meet Jesus These messages are found in Revelation 14 6 12 and are also known as the Three Angels Messages However as part of his deceptions Satan is seeking to distract and confuse the church by the LGBTQ ideology Today there are many voices in Christianity and in the Seventh day Adventist Church clamoring for the affirmation of the LGBTQ ideology and lifestyle Pastor Mercado believes that following the road of affirmation will lead to

a loss of credibility and will dilute the end time messages of preparation Yet acknowledging that LGBTQ people are already in our churches he provides guidelines on how to treat them redemptively while not compromising biblical values **Romans:**

Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary **Romans** Martin H. Franzmann, 1968 Gives a contemporary through understanding of the historical and theological setting of Romans **The African Christian vs. God's Word** Jacob Oyerinde, 2025-08-19 What does the black African Christian consider to be the meaning and purpose of life Can a believer in Jesus Christ afford to be law averse and romanticise with tribal culture Can a believer subject the teachings of the Bible to the dictates of tribal culture and still hope to go to heaven What is the black African Christian's understanding of the role of the Bible in a believer's life Has Spirit baptism any meaning and significance to the black African Christian The author delves in to these and many other questions in this inspiring guide for Christians and potential believers of Jesus Christ whether of African origin or not who are seeking guidance in the way they come to faith in Christ *The Marcan Portrayal of the "Jewish" Unbeliever* Neil Ronald Parker, 2008 One of the most lamentable aspects of Christendom's history has been the long standing antipathy of some of its members toward persons of the Jewish faith However the writer of Mark's gospel did not intend to promulgate such antipathy Parker's groundbreaking re assessment of how the evangelist applies Jewish scriptures serves to establish the true nature of Mark's unfavourable depiction of Judaism's custodians as a theological construct The overriding purpose behind Mark's caricature of Jesus compatriots was to explain the presence of faulty belief or even unbelief among a Gentile readership Subsequent generations have mistakenly given historical credence to Mark's account of Jesus's ministry Regrettably this has resulted in the erroneous theological legitimization of atrocities against the Jews *Romans (Everyday Bible Commentary series)* Alan F. Johnson, 2018-06-05 Martin Luther said Romans was so important that every Christian should memorize it Romans outlines many of the basics of the faith and has been a favorite of Christians throughout history But reading Romans without knowing the historical background is like watching an old comedy without knowing the cultural references still enjoyable but not nearly as vibrant Encounter Paul's crowning epistle in full color through Romans from the Everyday Bible Commentary series In it you'll receive enlightening verse by verse commentary from Alan F Johnson that's both straightforward and insightful You'll gain Cultural and historical backgrounds Insights from the original language Help with the difficult passages And more You don't have to go to seminary to encounter God in exciting new ways through His Word Discover how much more enjoyable your personal study will be with understandable quality Bible commentary for everyday life **Paul's Use of the Old Testament in Romans 9:19-24** Brian J. Abasciano, 2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 building upon his previous two volumes and their intertextual methodology This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9:19-24 with an awareness of the broader unit of chapters 9-11 especially and also the epistle as a whole Conclusions for the meaning of these passages and their theological significance

are drawn *Significance of the Dead Sea Scrolls and other Essays* Jonathan S. Nkhoma, 2013 Jonathan Nkhoma in this scholarly collection of essays enriches the reader with different interesting windows on how one can unearth the riches contained in some of the New Testament writings The first two essays underscore the importance of placing the New Testament in a proper context and attempt to construct this context by discussing the historical background and the theological understanding of the Qumran Covenanters as derived from the Dead Sea Scrolls Jonathan Nkhoma treats many aspects touching the proper interpretation of the New Testament writings For example he shows how the sacramental rituals of washing and eating together in the Qumran Community add meaning to the same rituals carried over to the New Testament The significance of table fellowship is treated in greater depth in a subsequent essay Throughout the various essays the question of the historicity of the various texts is treated in a succinct way and the author is able to come to some helpful conclusions drawing on the previous work of many well know scholars The later essays tackle the very difficult question of martyrdom and Jonathan Nkhoma delves into the history of two particular cases in order to shed light on this difficult subject All essays are written in impeccable English which flows in an easy style This collection of essays would be invaluable to anyone who would wish to make a serious study of the New Testament writings
