Rogue's Paradise: An Adult Fantasy Romance Jeffe Kennedy, 2022-08-16 Faerie the land of blood magic and betrayal At last the fae lord Rogue has won everything He has me in his home his bed and I m desperately in love with him despite my best efforts and better judgment Did I mention I m pregnant As our child grows inside me the one I m pledged to give to him I still have no idea what will happen after the birth Though Rogue is attentive in every way a woman could wish for bringing me delirious pleasure and gifts beyond price he still won t or can t tell me what game he s playing Or what the viciously sadistic Queen Titania has to do with our many bargains I m most afraid that if he betrays us I ll never be able to forgive him Even though I can t stop loving him As war threatens everything we ve built as my body swells with the enchanted pregnancy I become more certain with every day that the true enemy lurks within our castle walls And that the man I ve vowed eternal commitment to may be the last person I can trust

Rogue's Possession: An Adult Fantasy Romance Jeffe Kennedy, 2022-07-26 One does not break an oath to the fae But I am getting much better at finding and exploiting the loopholes I may have promised the ruthlessly sensual fae lord Rogue that he can sire my firstborn child but I never said when And I m not giving into his will eroding attempts to seduce me until he tells me what will happen to my child Which he refuses to do So I m holding out against his allure no matter how he tantalizes me because the one way to protect my child is to make sure they re never born Unfortunately Rogue is as wily as he is persistent and soon I find myself in more bargains I must give him a kiss every day and sleep by his side at night Even as I travel through Faerie perfecting my sorceress skills and seeking the answers to the questions Rogue won t or can t answer he is constantly by my side working his way through my defenses He refuses to let me go Most terrifying of all I m finding I don t want him to

Rogue's Pawn: An Adult Fantasy Romance Jeffe Kennedy, 2022-07-05 Be careful what you wish for When I walked out on my awful boyfriend wishing to be somewhere anywhere else I never expected to wake up in Faerie And as a scientist I find it even harder to believe that I now seem to be a sorceress A pretty crappy sorceress it turns out because every thought that crosses my mind becomes suddenly and frighteningly real including the black dog that has long haunted my nightmares Now I m a captive a pawn for the fae lord Rogue and the feral and treacherous Faerie court all vying to control me and the vast powers I don t understand Worse Rogue the closest thing I have to a friend in this place is intent on seducing me He s the most beautiful man I ve ever seen enthralling tempting and lethally dangerous He s as devastatingly clever as he is alluring and he tricks me into promising him my firstborn child which he intends to sire I don t dare give into him I may not have the willpower to resist him He s my only protection against those who would destroy me Unless I can learn to use my magic

Romantic School 1780-1830 Rolf P. Lessenich,2012-08-15 Romanticism was not only heterogeneous and disunited It also had to face the counter movements of the Enlightenment and Augustan Neoclassicism which were still gaining momentum in the decades around the French Revolution Neoclassicists regarded Romanticism as a heretical amalgam of dissenting new schools threatening the monopoly of the Classical Tradition Acrimonious debates in aesthetics and politics were conducted with the traditional strategies of the classical ars disputandi on both sides Under the duress of the heaviest satirical attacks Romanticism began to gradually see itself as one movement giving rise to the problematic opposition of Classical with Romantic This construction however was indispensable for the clarification of different positions among the hubbub of conflicting voices It has also proved critical in literary and cultural studies The Classical Tradition emerges as an ongoing event from Greek and Latin antiquity via Neoclassicism and Romanticism to our time The Film Daily ... Eighteenth century fiction brims with moments such as these in which the prosaic rubs up against the marvelous While it is a truism that the period's literature is distinguished by its realism and air of probability Eighteenth Century Fiction and the Reinvention of Wonder argues that wonder is integral to rather than antithetical to the developing techniques of novelistic fiction Positioning its reader on the cusp between recognition and estrangement between faith and doubt modern fiction hinges upon wonder Eighteenth Century Fiction and the Reinvention of Wonder unfolds its new account of fiction's rise through surprising readings of classic early novels from Daniel Defoe's Robinson Crusoe to Jane Austen's Northanger Abbey and brings to attention lesser known works most notably Rudolf Raspe's Baron Munchausen's Narrative of His Marvellous Travels In this bold new account the eighteenth century bears witness not to the world's disenchantment but rather to wonder's relocation from the supernatural realm to the empirical world providing a reevaluation not only of how we look back at the Enlightenment but also of how we read today

The Age of Projects Maximillian E. Novak, 2008-08-23 The Projecting Age was a term the English novelist Daniel Defoe used to describe the end of the seventeenth century This term could just as easily be used however to describe the period known as the Long Eighteenth Century 1660-1789 The Age of Projects uses the notion of a project as a key to understanding the massive social cultural political literary and scientific transitions that occurred in Europe during this time The contributors to this collection examine fraudulent grandiose altruistic and idealistic projects that reveal the period's radical breaks from the past and its preoccupation with the future Examining topics as diverse as Jonathan Swift's satire on the possibility of a computer to Gottfried Leibniz's effort to build one and Edmund Burke's prediction that the project of democratic governance would be taken over by greedy adventurers this volume provides significant insight into the period's ambitions for an improved future A well balanced collection by leading scholars from diverse disciplines The Age of Projects is a significant contribution to intellectual history literary history and the history of science
