Romantic Paradox Love Violence And The Uses Of Romance 1760 1830:

The Romantic Paradox J. Labbe, 2000-06-06 Why are there so few happily ever afters in the Romantic period verse romance Why do so many poets utilise the romance and its parts to such devastating effect Why is gender so often the first victim The Romantic Paradox investigates the prevalence of death in the poetic romances of the Della Cruscan Coleridge Keats Mary Robinson Felicia Hemans Letitia Landon and Byron and posits that understanding the romance and its violent tendencies is vital to understanding Romanticism itself

Mary Robinson and the Genesis of Romanticism Ashley Cross, 2016-08-19 Originally coming to prominence as an actress and scandalous celebrity Mary Robinson created an identity for herself as a poet and novelist of the Romantic school Cross argues that Robinson's dialogues shaped the nature of Romantic verse and went on to influence second generation Romantics such as Christina Rossetti and Alfred Lord Tennyson

"A Natural Delineation of Human Passions" C. C. Barfoot, 2004 Most of the articles in *A Natural Delineation of Human Passions* originated in the Twelfth October Conference held in Leiden to celebrate the bicentenary of the publication of *Lyrical Ballads* The first article by the editor An Historic Moment *A Natural Delineation of Human Passions* as a New Morality attempts to establish an historic and an historical context both personal and political for the six articles that follow by Keats, Bergvall, Myra Cottingham, C. P. Seabrook, Wilkinson, James McGonigal, Jacqueline Schoemaker and Suzanne E. Webster which consider the themes of vagrancy and wandering in *Lyrical Ballads* the expression of loss and compensation and the consequences both beneficial and perilous for the language and rhetoric of poetry Then three articles by Annemarie Estor, Daniel Sanjiv Roberts and Paul E. A. van Gestel consider the ambience of science and philosophy in which Wordsworth and Coleridge strove to affirm the creative participation of poetry After this Jacqueline M. Labbe, Titus P. Bicknell, Robert Druce and M. Van Wyk Smith discuss the parallel contributions of some of the more neglected contemporaries of the authors of *Lyrical Ballads* not necessarily in English nor necessarily in England Mary Robinson, Walter Savage Landor, Robert Bloomfield and Thomas Pringle The volume concludes with an extended examination by Timothy Webb of the responses both admiring and scornful of the younger generation of Romantics to the legacy of *Lyrical Ballads*

Inchbald, Hawthorne and the Romantic Moral Romance Ben P. Robertson, 2015-10-06 Explores the connections between British and American Romanticism focusing on the novels of Elizabeth Inchbald 1753-1821 and Nathaniel Hawthorne 1804-1864 This study argues that Inchbald and Hawthorne are representative of a larger British American cultural confluence during the eighteenth and nineteenth centuries

A Companion to Romance Corinne Saunders, 2008-04-15 Romance is a varied and fluid literary genre notoriously difficult to define This groundbreaking Companion surveys the many permutations of romance throughout the ages Considers the literary and historical development of the romance genre from its classical origins to the present day Incorporates discussion of the changing readership of romance and of romance's special relation to women readers Comprises 30 essays written by leading authorities on different periods and sub genres Challenges the idea that the appeal of

romance is exclusively escapist Draws on a wide range of specific and influential literary examples Romantic Women Poets, 2015-07-14 Romantic Women Poets Genre and Gender focuses on the part played by women poets in the creation of the literary canon in the Romantic period in Britain Its thirteen essays enrich our panoramic view of an age that is traditionally dominated by male authors such as Wordsworth Coleridge Byron Shelley Keats and Scott Instead the volume concentrates on the poetical theory and practice of such extraordinary and fascinating women as Joanna Baillie Charlotte Smith Anna Laetitia Barbauld Dorothy Wordsworth Helen Maria Williams Lady Morgan Ann Radcliffe Mary Shelley Letitia Elizabeth Landon Anna Seward and Lady Caroline Lamb Female and male poetics gender and genres literary forms and poetic modes are extensively discussed together with the diversity of behaviour and personal responses that the individual women poets offered to their age and provoked in their readers There have been several important collections of essays in this particular area of study in the last few years but this volume reflects and complements much of this earlier critical work with specific strengths of its own **Women & Romanticism Vol1** Roxanne Eberle, 2020-01-08 First published in 2006 Women and Romanticism s first two volumes gather material from the vast body of work produced around the subjects of education and employment VOLUME I covers Education and Employment in the Early Romantic Period Until the 1980s a five volume collection of materials on Women and Romanticism would have been inconceivable since Romantic studies largely restricted itself to a consideration of the major male poets of the period William Blake William Wordsworth Samuel Taylor Coleridge Lord Byron Percy Bysshe Shelley and John Keats When women were present in accounts of Romanticism they were considered in terms of their literary function as objects of representation or in relation to their domestic as mothers daughters wives and lovers of the authors Indeed the first Romantic women writers to enter academic discourse were those with familial connections to the canonized poets Mary Wollstonecraft Mary Shelley and Dorothy Wordsworth Other writers of interest in the 1970s included Frances Burney and Jane Austen Women and Romanticism 5V Roxanne Eberle, 2022-07-30 Demonstrating the breadth and scope of women s writing in the Romantic period this collection covers a variety of topics ranging across polemical treatises private correspondence philosophical and historical disquisitions and poetry and prose fiction Helping to contextualise the areas discussed the collection includes a general introduction by the editor which traces the history of criticism in the field and thus current definitions of Women and Romanticism before going on to discuss the contents of each volume **Romantic Localities** Christoph Bode, 2015-10-06 Romantic Localities explores the ways in which Romantic period writers of varying nationalities responded to languages landscapes both geographical and metaphorical and literatures **Romantic Empiricism** Gavin Budge, 2007 Romantic Empiricism is a collection of essays by established and emerging scholars which represents a paradigm shift for the study of British Romanticism The volume challenges the received view that German Idealist philosophy constitutes the main intellectual reference point for British Romantic writers arguing instead that the tradition of Scottish Common Sense philosophy largely overlooked by literary

scholars is a significant influence on Romantic thought The essays in the collection examine a variety of canonical and non canonical Romantic authors in the light of this fresh interpretative context ranging from Charlotte Smith and Elizabeth Hamilton to Robert Burns and S T Coleridge The volume is prefaced by a substantial theoretical introduction which sets out the historical and interpretative case for the relevance of Common Sense philosophy for the study of British Romanticism

Petrarch in Romantic England E. Zuccato, 2015-12-26 The Petrarchan revival in Romantic England was a unique phenomenon which involved an impressive number of scholars translators and poets This book analyses the way Petrarch was read and re written by Romantic figures The result is a history of the Romantic era sonnet and a new lens for understanding English Romantic poetry

Neoclassical Satire and the Romantic School 1780-1830 Rolf P. Lessenich, 2012 Romanticism was not only heterogeneous and disunited It also had to face the hostile counter movement of the Enlightenment and Augustan Neoclassicism still going strong at the time of and in the decades following the French Revolution due to support from the ruling Establishment the ancien regime of the Crown and Church of

England Neoclassicists regarded Romanticism as a heteretical amalgam of dissenting new schools which threatened the monopoly of the Classical Tradition The acrimonious debates in aesthetics and politics were conducted with the traditional strategies of the classical *ars disputandi* on both sides Under the duress of the heaviest satirical attacks Romanticism began gradually to see itself as one movement giving rise to the problematic opposition of Classical and Romantic The construction of this rough divide however was indispensable for the clarification of different positions in the hubbub of conflicting voices and has also proved critical in literary and cultural studies which cannot do without such subsumptions The Classical Tradition encompassing Christianity emerges as an ongoing event from Greek and Latin antiquity running through to our time

The Routledge Companion to Romantic Women Writers Ann R. Hawkins, Catherine S. Blackwell, E. Leigh Bonds, 2022-12-30 The Routledge Companion to Romantic Women Writers overviews critical reception for Romantic women writers from their earliest periodical reviews through the most current scholarship and directs users to avenues of future research It is divided into two parts The first section offers topical discussions on the status of provincial poets on women's engagement in children's literature the relation of women writers to their religious backgrounds the historical backgrounds to women's orientalism and their engagement in debates on slavery and abolition The second part surveys the life and careers of individual women some 47 in all with sections for biography biographical resources works modern editions archival holdings critical reception and avenues for further research The final sections of each essay offer further guidance for researchers including Signatures under which the author published and a List of Works accompanied whenever possible with contemporary prices and publishing formats To facilitate research a robust Works Cited includes all texts mentioned or quoted in the essay

Romanticism, Self-Canonization, and the Business of Poetry Michael Gamer, 2017-02-17 Michael Gamer explodes the myth of the unworldly Romantic poet showing writers interest in public presence and profit and loss

Richard Polwhele and Romantic Culture Dafydd Moore, 2020-12-27 Richard Polwhele was a writer of rare energies Today known only for *The Unsex'd Females* and its attack on radical women writers Polwhele was a historian translator memoirist and poet As an indigent Cornish gentleman clergyman and JP his extensive written output encompassed sermons open letters and even headstone verse This book recovers the lost Polwhele locating him within an archipelagic understanding of the vitality and complexity inherent in the loyalist tradition with British Romantic culture via a range of previously unexamined texts and manuscript sources Torn between a desire for sociability and an appetite and capacity for a good argument Polwhele's outspoken contributions across a range of disciplines testify to the variety and dynamism of what has previously been considered provincial and reactionary This book locates Polwhele's work within key preoccupations of the age the social economic and political valences of literary sociability in the age of print the meaning of loyalism in an age of revolution the meaning of place and belonging enthusiasm religious or otherwise and the self-fashioning of the provincial man of letters In doing so it argues for a broader definition of Romanticism than the one that has typed Polwhele as an unpalatable

embarrassment and the anachronistic voice of provincial High Tory reaction This volume will be of interest to those working in the field of late eighteenth and early nineteenth century British Literature with a particular focus on politics and on the nature of literary production and identity across the non metropolitan areas of the British Isles Letitia Elizabeth Landon and Metrical Romance Serena Baiesi, 2010 Letitia Elizabeth Landon 1802 1838 was one of the leading women poets of the second generation of English Romantic writers Following her predecessor Walter Scott and her contemporary Lord Byron she was a fluent practitioner and essential innovator of the metrical romance and exerted a strong influence on the work of Victorian poets especially Elizabeth Barrett Browning Robert Browning and Christina Rossetti This book analyses Landon's poetics with particular reference to the close relationship between the narrative poem as literary genre and its gender implications Landon was both an eclectic writer and a literary businesswoman she was an extremely effective promoter of her literary work in order to support her independent life in London Furthermore she was the editor of several annuals and gift books wrote for magazines and published numerous poems novels and editorials Her active life and mysterious and premature death in Africa attracted the curiosity of many biographers during the twentieth century but only in recent times has critical attention been paid to her rich literary output This volume aims to discuss and analyse the work of a talented artist whose metrical romance strongly influenced the poetics of late Romanticism and prefigured a highly successful genre widely adopted during the Victorian age the dramatic monologue *Romantic Presences in the Twentieth Century* Mark Sandy, 2016-04-08 Concerned with the intermingled thematic and formal preoccupations of Romantic thought and literary practice in works by twentieth century British Irish and American artists this collection examines the complicated legacy of Romanticism in twentieth century novels poetry and film Even as key twentieth century cultural movements have tried to subvert or debunk Romantic narratives of redemptive nature individualism perfectibility and the transcendence of art the forms and modes of feeling associated with the Romantic period continue to exert a signal influence on the modern moment both as a source of tension and as creative stimulus As the essays here show the exact meaning of the Romantic bequest may be bitterly contested but it has been difficult to leave behind The contributors take up a wide range of authors including Virginia Woolf F Scott Fitzgerald W H Auden Doris Lessing Seamus Heaney Hart Crane William Faulkner Don DeLillo and Jonathan Franzen What emerges from this lively volume is a fuller picture of the persistence and variety of the Romantic period's influence on the twentieth century
