Rome--the Sweet, Tempestuous Life Paul Hofmann,1982 **Romewalks** Anya M. Shetterly,2014-03-11 The secret of all cities is to be found in their streets and neighborhoods This is especially true of Rome What distinguishes this guidebook to Rome from so many others is that it explores neighborhoods instead of merely describing monuments By taking the reader on walks through the streets around the Campo dei Fiori the Piazza Navona the Jewish Ghetto and Trastevere and by paying close attention to architecture local history and people art religion archeology and of course cuisine Romewalks by Anya M Shetterly offers a remarkably intimate and comprehensive look at the city and its history Also included in this guidebook are maps of each of the four walks photographs a concise section of information and advice a list of specially selected restaurants and shops and an index A Literary Companion to Rome John Varriano,1995-05-15 Arranged as a series of walks through the city this book is both an illuminating guide for the visitor to Rome and a delight to read at home for those who love the city and want to enrich their knowledge of it Includes 10 walking tours illustrations **The Seasons of Rome** Paul Hofmann,1999-03-15 Wends his way through the city streets stopping to chat with mail carriers and construction workers or lingers over a cappuccino letting his thoughts wander back into the city's history and half a century of personal experience there one follows closely behind and listens to the voices of the city past and present rise up in his lucid prose Hofmann speaks from the very heart of Rome The Vatican's Women Paul Hofmann,2002-10-08 Four hundred of the 3 800 people who permanently live or work in the State of Vatican City the smallest sovereign and independent state on the globe are women They are nuns and members of the laity some are housekeepers of churchmen others are secretaries translators editors lawyers and middle level officials of the papal administration Expansive in scope and enlightening in detail The Vatican's Women recalls women who wielded power in the Vatican including St Catherine of Siena Queen Christina of Sweden Mother Pascalina Pope Pius XII's longtime housekeeper and confidante and Mother Teresa With an unflinching eye Paul Hofmann examines the papacy's reaction to Catholic women's and nuns liberation and women's struggles especially today to fortify their positions within the Church The Vatican's Women is a thorough and revealing exploration that will herald a new level of insight and dialogue amongst feminists theologians and laypeople alike **Nicholas of Cusa - A Companion to his Life and his Times** Professor Morimichi Watanabe,2013-07-28 This work is a guide to the life thought and activities of Nicholas of Cusa 1401-1464 the great fifteenth century philosopher theologian jurist author of mystical and ecclesiastical treatises cardinal and reformer It is intended not only for advanced scholars but also for beginners and those simply curious about a man who has been called one of the greatest Germans of the fifteenth century and a medieval thinker for the modern age The book provides a series of detailed but readable essays on ideas persons and places a work developed over the course of nearly three decades First it contains articles on the important events and concepts that affected Cusanus philosophical religious intellectual and political Then it turns to his precursors and contemporaries both friendly and critical

These include philosophers theologians politicians and canon lawyers And third the book follows the footsteps of the man from Kues and examines various sites where he lived studied or visited Because the author has also visited many of these sites he can contribute personal observations to enliven the journey To add to the book s usefulness as a resource and reference tool each entry is followed by a bibliography containing both recent and older works The purpose of the volume is to gain a greater appreciation of Cusanus and his legacy by striving for a total view of his thought and experience instead of narrowly focusing on specific philosophical theological or intellectual ideas or certain periods of his activities in isolation from other facets of this compelling figure
