Adaptation and Beyond Eva C. Karpinski, Ewa Kęłowska-Ławniczak, 2023-09-29 This interdisciplinary collection focuses on recent adaptations both experimental and popular that put hybridity transtextuality and transmediality at play It reframes adaptation in terms of the transmedia concept of world building which accurately captures the complexity and multidirectionality of contemporary scattered and ubiquitous practices of adaptation The editors argue that the process of moving stories or their elements across different media platforms and repurposing them for new uses results in the production of hybrid transtextualities The book demonstrates how hybrid textualities augment narrative and literary forms as goals of their world building finding unexpected sites of cross pollination expansion and appropriation in spoken word and dance performance auto biographical comics advertising Chinese Kun opera and popular song lyrics This yoking of hybridity and transmediality yields not only diversified and often commercialized aesthetic forms but also enables the emergence a unique cultural space in between a mezzaterra capable of addressing current political issues and mobilizing broader audiences

Baz Luhrmann's "Romeo and Juliet". A postmodern Elizabethan interpretation? Vera Henne,2016-09-30 Essay from the year 2015 in the subject Communications Movies and Television grade 1 0 University of Brighton language English abstract Baz Luhrmann s William Shakespeare s Romeo Juliet

1996 retells the famous story of Romeo and Juliet who fall in love but cannot be together due to their families old feud In many English literature lessons this film adaptation is popular to familiarize people with William Shakespeare s plays and language Due to the juxtaposition of Shakespeare s words fast colourful pictures and teenage stars such as Leonardo DiCaprio and Claire Danes the director Baz Luhrmann claims this adaptation to be an Elizabethan interpretation of Shakespeare Adapted to the modern Zeitgeist Luhrmann staged a combination of an updated version of the classic in a multimedia time and preserved traditional essential elements such as the language and main themes The adaptation lets the cast speak the Shakespeare s original text and combines it with fast modern video art The combination of the Elizabethan English language and the recontextualisation of the classic love story with news TV swords as guns advertisements and ecstasy led Jane Maslin a reviewer from the NY Times to remark t his is headache Shakespeare but there s method to its madness The adaptation is widely recognized to be postmodern This does not seem to coincide with Luhrmann s aspiration of an Elizabethan adaptation of the classic dramatic love story So the question arises Can a postmodern interpretation be an Elizabethan interpretation at the same time

Shakespearean Adaptation, Race and Memory in the New World Joyce Green MacDonald, 2020-08-24 As readers head into the second fifty years of the modern critical study of blackness and black characters in Renaissance drama it has become a critical commonplace to note black female characters almost complete absence from Shakespeare s plays Despite this physical absence however they still play central symbolic roles in articulating definitions of love beauty chastity femininity and civic and social standing invoked as the opposite and foil of women who are fair Beginning from this recognition of black women s simultaneous physical absence and imaginative presence this book argues that modern Shakespearean adaptation is a primary means for materializing black women s often elusive presence in the plays serving as a vital staging place for historical and political inquiry into racial formation in Shakespeare s world and our own Ranging geographically across

North America and the Caribbean and including film and fiction as well as drama as it discusses remade versions of Othello Romeo and Juliet Antony and Cleopatra and The Taming of the Shrew Shakespearean Adaptation Race and Memory in the New World will attract scholars of early modern race studies gender and performance and women in Renaissance drama
