Romford Collier Row And Gidea Park:

Romford, Collier Row & Gidea Park Brian Evans, 1994 *The Borough of Romford, Street Plan*, 196? *Romford in the Great War* Stephen Wynn, 2016-10-31 *Romford in the Great War* tells the remarkable story of Romford and its surrounding areas from the outbreak of the Great War in 1914 to the long awaited peace of 1918 Romford had a considerable military connection during the war The area was largely associated with the famous Sportsman s Battalions the 23rd and 24th Battalions of the Royal Fusiliers that as the title suggests was made up of well known sportsmen of the day Initially the battalion stayed at Hare Hall camp in Romford and Grey Towers Camp in Hornchurch respectively The equally famous Artists Rifles took over Hare Hall after the Sportsman Battalion left and went on to become a renowned officer training corps The book takes a detailed look at the districts war memorials and rolls of honor that commemorate the names of the local young men who answered the call to arms to protect their king and country Wynn explores some of these names in more detail tweaking out their individual stories of heroism bravery and devotion to duty no matter what price they had to pay He also offers a unique flavor of what everyday life was like for the local community by looking through the local newspapers of the day A growing paranoia among the masses is addressed as are the important roles of women who were keeping the country on top form whether delivering mail driving a taxi or working in a local factory while their husbands brothers uncles sons and fathers were off fighting the war This is a superb account of the people of Romfords outstanding determination to see the war through **Front-line Essex** Michael Foley, 2005-09-29 Before the First World War Essex was a very different county from that which we know today The economy was largely based on agriculture and the people rarely travelled beyond its borders or even out of their towns or villages The war opened up a whole new world for the people of Essex Men from the county enlisted in Kitchener s Army and travelled abroad and many troops came into the camps and barracks which sprang up Some of these were men from across the empire who came to fight for the mother country Essex was a key area during the war situated on the east coast it was thought that the enemy could potentially use it as a site for invasion so many defences were set up all round the county Essex was subjected to great danger and harsh times by the enemy in the form of air raids from Zeppelins and later from aeroplanes This book sets out the experiences of the county against what was happening in the broader theatre of war *The London DM and DMS Buses - Two Designs Ill Suited to London* Jim Blake, 2024-10-30 JIM BLAKE S latest book on London s buses may come as a surprise since he usually concentrated on older vehicles in the fleet However the unpopular unsuccessful DMs and DMSs were still part of London Transport s history so he recorded them too particularly towards the end of the short working lives Forced by central government to buy off the peg standard manufacturers products rather than their own tried and trusted designs LT opted for Daimler Fleetlines for their first fleet of one man operated double deckers Optimistically christened Londoners when they first entered service in January 1971 they instantly became unpopular with passengers staff and bus enthusiasts alike Their square box like appearance and bland all

over red livery did not endear them to the latter Passengers used to boarding buses immediately with fares collected or tickets checked by a conductor objected to waiting at termini until the driver appeared and opened their doors and having to queue at stops waiting to pay as they entered Automatic ticket machines meant to mitigate this broke down making matters worse all this increased journey times The vehicles had flimsy bodywork easily damaged by the slightest collision and were also mechanically unreliable their rear engines often caught fire This made them unpopular with drivers and maintenance staff Although the type worked satisfactorily in the provinces it was just not suited for the rigors of London service This book presents a selection of pictures of them many previously unpublished and also graphically illustrating the buses many defects

Essex in London ,1992 **British Baseball and the West Ham Club** Josh Chetwynd,Brian Belton,2006-12-29 Few people associate baseball with Great Britain but for a brief period in the 1930s America s pastime nearly gained a foothold with the British populace Though never as popular as the beloved football clubs or even greyhound races baseball teams like the West Ham Hammers developed intense local followings and played some excellent baseball in 1936 the Hammers defeated the U S Olympic team The outbreak of World War II ended the rising popularity of baseball among Britons but speculation remains that under different circumstances British baseball could have flourished This book traces the history of baseball as a popular British sport concentrating on one particularly successful and notable team the West Ham Hammers It places the West Ham club within the historical context of 1930s Great Britain and covers team management major players e g Roland Gladu the Canadian Babe Ruth and the fans many of whom still cling fondly to faded memories of the club and West Ham Stadium Eight appendices include team rosters British baseball rules and year by year records from 1890 to 2005
