political energies Accepting the criticism of its hosts the United Church of Canada helped build an independent Korean Christian church and in 1974 ended its Korean mission This shift in the Canadian missionaries colonial attitudes also contributed to the transformation of the United Church of Canada back home With the help of Korean leadership in Canada the church reconstructed its vision of non Western Christianity and in a watershed moment established an ethnic ministry council Situated within ongoing conversations about the legacies of colonization and racism *Water from Dragon s Well* shows how wellsprings of religion and politics from Korea challenged and transformed white Canadian attitudes and institutions
