Brogan,2021-04-13 Drawn from the acclaimed New Princeton Encyclopedia of Poetry and Poetics the articles in this concise new reference book provide a complete survey of the poetic history and practice in every major national literature or cultural tradition in the world As with the parent volume which has sold over 10 000 copies since it was first published in 1993 the intended audience is general readers journalists students teachers and researchers The editor s principle of selection was balance and his goal was to embrace in a structured and reasoned way the diversity of poetry as it is known across the globe today In compiling material on 106 cultures in 92 national literatures the book gives full coverage to Indo European poetries all the major Celtic Slavic Germanic and Romance languages as well as other obscure ones such as Hittite the ancient middle Eastern poetries Hebrew Persian Sumerian and Assyro Babylonian subcontinental Indian poetries the widest linguistic diversity Asian and Pacific poetries Chinese Japanese Korean Vietnamese Mongolian and half a dozen others continental American poetries all the modern Western cultures and native Indian in North Central and South American regions and African poetries ancient and emergent oral and written **Mademoiselle** Rhonda K. Garelick,2015-07-14 NATIONAL BESTSELLER Certain lives are at once so exceptional and yet so in step with their historical moments that they illuminate cultural forces far beyond the scope of a single person Such is the case with Coco Chanel whose life offers one of the most fascinating tales of the twentieth century throwing into dramatic relief an era of war fashion ardent nationalism and earth shaking change here brilliantly treated for the first time with wide ranging and incisive historical scrutiny Coco Chanel transformed forever the way women dressed Her influence remains so pervasive that to this day we can see her afterimage a dozen times while just walking down a single street in all the little black dresses flat shoes costume jewelry cardigan sweaters and tortoiseshell eyeglasses on women of every age and background A bottle of Chanel No 5 perfume is sold every three seconds Arguably no other individual has had a deeper impact on the visual aesthetic of the world But how did a poor orphan become a global icon of both luxury and everyday style How did she develop such vast undying influence And what does our ongoing love of all things Chanel tell us about ourselves These are the mysteries that Rhonda K Garelick unravels in *Mademoiselle* Raised in rural poverty and orphaned early the young Chanel supported herself as best she could Then as an uneducated nineteen year old caf singer she attracted the attention of a wealthy and powerful admirer and parlayed his support into her own hat design business For the rest of Chanel s life the professional personal and political were interwoven her lovers included diplomat Boy Capel composer Igor Stravinsky Romanov heir Grand Duke Dmitri Hugh Grosvenor the Duke of Westminster poet Pierre Reverdy a Nazi officer and several women as well For all that she was

profoundly alone her romantic life relentlessly plagued by abandonment and tragedy Chanel's ambitions and accomplishments were unparalleled Her hat shop evolved into a clothing empire She became a noted theatrical and film costume designer collaborating with the likes of Pablo Picasso Jean Cocteau and Luchino Visconti The genius of Coco Chanel Garelick shows lay in the way she absorbed the zeitgeist reflecting it back to the world in her designs and in what Garelick calls wearable personality the irresistible and contagious style infused with both world history and Chanel's nearly unbelievable life saga By age forty Chanel had become a multimillionaire and a household name and her Chanel Corporation is still the highest earning privately owned luxury goods manufacturer in the world In *Mademoiselle* Garelick delivers the most probing well researched and insightful biography to date on this seemingly familiar but endlessly surprising figure a work that is truly both a heady intellectual study and a literary page turner Praise for *Mademoiselle* A detailed wry and nuanced portrait of a complicated woman that leaves the reader in a state of utterly satisfying confusion blissfully mesmerized and confounded by the reality of the human spirit The Washington Post Writing an exhaustive biography of Chanel is a challenge comparable to racing a four horse chariot This makes the assured confidence with which Garelick tells her story all the more remarkable The New York Review of Books Broadly focused and beautifully written The Wall Street Journal
