Incident Management for the Street-Smart Fire Officer John Coleman, 2008 In the second edition of Incident Management for the Street Smart Fire Officer author Skip Coleman expands on the mindset and tactics necessary to manage the fireground with more control and less chaos Incident management system IMS is a tool that defines the role and responsibilities of each fire department member allowing crew members to function quickly and efficiently upon arrival at the fireground all the while meeting the commanders expectations Regardless of the size or geographic location of fire department an IMS is one of the most practical innovations available that yields measurable results The days of chief officers pulling up to a fire and allowing the fire to run them are over Incident management makes thinkers out of commanders

The Name of the Rose Umberto Eco, 2006-09-26 ONE OF TIME MAGAZINE S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME A spectacular best seller and now a classic The Name of the Rose catapulted Umberto Eco an Italian professor of semiotics turned novelist to international prominence An erudite murder mystery set in a fourteenth century monastery it is not only a gripping story but also a brilliant exploration of medieval philosophy history theology and logic In 1327 Brother William of Baskerville is sent to investigate a wealthy Italian abbey whose monks are suspected of heresy When his mission is overshadowed by seven bizarre deaths patterned on the book of Revelation Brother William turns detective following the trail of a conspiracy that brings him face to face with the abbey s labyrinthine secrets the subversive effects of laughter and the medieval Inquisition Caught in a power struggle between the emperor he serves and the pope who rules the Church Brother William comes to see that what is at stake is larger than any mere political dispute that his investigation is being blocked by those who fear imagination curiosity and the power of ideas The Name of the Rose offers the reader not only an ingeniously constructed mystery complete with secret symbols and coded manuscripts but also an unparalleled portrait of the medieval world on the brink of profound transformation

Jon Smith Richard Proctor, 2019-06-04 It is the year 2020 and the world has become a place run by a socialist corporatist government The preceding ten years brought about large changes in America and the world as laws were passed that enabled the government to take total control of people s lives Hunting sports eating real food and everything else of our current world has been banned or outlawed Only the few that fled the change still live the life that the forefathers of America sought Into this comes Jon Smith a man who fled and went off the grid ten years prior In the new world he and his son live a life of freedom along with two hundred or so other folk in the valley It is a story of struggle reunion and conflict as the New Government finds that they cannot let Jon and his people remain free It is a decision of whether to live a life of freedom and die or acquiesce
