have always been interested in rhyming poetry I even have a tattered copy of the old One Hundred One Famous Poems where there is to my way of thinking some of the greatest use of the language other than the Holy Bible Such poems as Trees by Kipling and Laugh and the World Laughs With You have been an inspiration to me for many years Every where I have been in church schools work or Lodge over the past seventy years I have written poetry about something In this book I have written about many things I have either seen in my office remembered from my past or have seen out my office window
