Roosevelt and Hopkins: The men who shaped our lives Robert Emmet Sherwood,1950 *Roosevelt and Hopkins: an Intimate History* Robert Emmet Sherwood,1950 **Harry Hopkins: A Biography** Henry H. Adams,2022-01-18 Born in Iowa Harry Lloyd Hopkins 1890 1946 graduated from Grinnell College and took a job at Christadora House a social settlement house in New York City where he later worked in the Bureau of Child Welfare and the New York Temporary Emergency Relief Administration TERA before President Roosevelt asked him to run the Federal Emergency Relief Administration FERA the Civil Works Administration and the Works Progress Administration WPA which he built into the largest employer in the US Hopkins was Secretary of Commerce from 1938 until 1940 From 1940 until 1943 he lived and worked in the White House He enjoyed close relationships with FDR and with Eleanor Roosevelt During World War II he oversaw the 50 billion Lend Lease program of military aid to the Allies and as FDR s personal envoy to Churchill and Stalin had a key role in shaping Allied military strategy Hopkins was considered a potential successor to FDR as President until the late 1930s when his health began to decline due to a long running battle with stomach cancer He died at the age of 55 The author is the first since Robert Sherwood to complete a full biography of Harry Hopkins He has added significant detail based on new sources while confirming Sherwood s portrait of a brave and loyal aide who ranked with George Marshall in his contribution to victory in World War II The three most influential foreign policy advisers to Presidents in this century were Colonel House for Wilson Hopkins and Henry A Kissinger Hopkins was more loyal than House less innovative than Kissinger but equal to both in his ability to get things done He died in 1946 exhausted and in debt Gaddis Smith Foreign Affairs A fascinating well written book Hopkins s influence on national social welfare policy developments lasted only a relatively short time from 1932 to 1938 when he was appointed Secretary of Commerce Then the events that were to lead to World War II were shaping up and Roosevelt chose Hopkins to serve as his personal ambassador That part of the story is completely absorbing and the reader will find it well worth his time as general history and intimate biography F R B Social Service Review This first detailed biography of Harry Hopkins is essential reading to one interested in the domestic and foreign policies of Franklin Roosevelt Hopkins was closer and had a greater impact on Roosevelt during his presidency than any other single individual The book is well written interesting and thoroughly documented Hopkins role as head of the Works Progress Administration is skillfully outlined The importance of his work during World War II in acting as Roosevelt s liaison with both Churchill and Stalin cannot be underestimated Despite the obviously important matters of

substance in which Hopkins was involved the book does not neglect his personal life domestic problems and poor health He comes through it all as a very interesting individual with whom one would have enjoyed working Victor B Levit American Bar Association Journal

Roll, 2012-12-05 The Hopkins Touch offers the first portrait in over two decades of the most powerful man in Roosevelt's administration David Roll shows how Harry Hopkins an Iowa born social worker who had been an integral part of the New Deal's implementation became the linchpin in FDR's and America's relationships with Churchill and Stalin and spoke with an authority second only to the president's Gaunt nearly spectral and malnourished following an operation to remove part of his stomach the newly widowed Hopkins accepted the president's invitation to move into the White House in 1940 and remained Roosevelt's closest advisor speechwriter sounding board and friend nearly to the end Between 1940 and 1945 with incomparable skill and indefatigable determination Hopkins organized the Lend Lease program and steered the president to prepare the public for war with Germany He became FDR's problem solver and fixer helping to smooth over crises such as when the British refused to allow an invasion of Europe in 1943 enraging Stalin who felt that the Soviet Union was carrying the military effort against the Nazis Lacking an official title or a clear executive branch portfolio Hopkins could take the political risks his boss could not and proved crucial to maintaining personal relations among the Big Three Beloved by some such as Churchill who believed that Hopkins always went to the root of the matter and trusted by most including the paranoid Stalin there were nevertheless those who resented the influence of the White House Rasputin Based on newly available sources The Hopkins Touch is an absorbing substantial new work that offers a fresh perspective on the World War II era and the Allied leaders through the life of the man who kept them on point until the war was won **Roosevelt and Hopkins.
