Roosevelt Hopkins Intimate History:

Roosevelt and Hopkins Robert Emmet Sherwood, 1948 Author's final copy with original sketches of the designer of the book directions to the printer and revisions Accompanied by a clean set of galleys Introduction and last chapter 35 missing See author's letter Nov 21 1951 filed with manuscript

How Roosevelt Failed America in World War II Stewart Halsey Ross, 2006-05-17 Reeling from the devastation of World War I many Americans vowed never again to become involved in European conflicts This stance was formalized in 1935 when Congress passed the first Neutrality Act which was not only designed to keep America out of foreign wars but also called for the president to declare an immediate embargo of arms and munitions to all belligerent countries As war loomed and eventually erupted in 1939 President Franklin D Roosevelt instituted several policies that aided the Allies and American neutrality was questionable many months before the attack on Pearl Harbor This work examines how Roosevelt navigated prewar neutrality to push the United States toward intervention on the side of the Allies in World War II and considers critically his wartime policy of unconditional surrender and his unprecedented acceptance of a fourth term It covers his prewar policies that sidestepped neutrality including covert submarine warfare air patrol of the North Atlantic the Lend Lease Act and coordination between the American and British navies and critiques his plans for rebuilding postwar Europe Thirteen appendices parallel prewar planning by Roosevelt and Woodrow Wilson and reproduce such key documents as the Atlantic Charter and the Potsdam Declaration

Roosevelt's Lost Alliances Frank Costigliola, 2013-02-24 This study brings to light key overlooked documents such as the Yalta diary of

Roosevelt's daughter Anna the intimate letters of Roosevelt's de facto chief of staff Missy LeHand and the wiretap transcripts of estranged advisor Harry Hopkins The book lays out a new approach to foreign relations history *Churchill, Roosevelt & Company* Lewis E. Lehrman, 2017-01-30 During World War II the special relationship between the United States and Great Britain cemented the alliance that won the war But the ultimate victory of that partnership has obscured many of the conflicts behind Franklin Roosevelt's grins and Winston Churchill's victory signs the clashes of principles and especially personalities between and within the two nations Synthesizing an impressive variety of sources from memoirs and letters to histories and biographies Lewis Lehrman explains how the Anglo American alliance worked and occasionally did not work by presenting portraits and case studies of the men who worked the back channels and back rooms the secretaries and under secretaries ambassadors and ministers responsible for carrying out Roosevelt's and Churchill's agendas while also pursuing their own and thwarting others This was the domain of Joseph Kennedy American ambassador to England often at odds with his boss spymasters William Donovan and William Stephenson Secretary of State Cordell Hull whom FDR frequently bypassed in favor of Under Secretary Sumner Welles British ambassadors Lord Lothian and Lord Halifax and above them all Roosevelt and Churchill who had the difficult task not always well performed of managing their subordinates and who frequently chose to conduct foreign policy directly between themselves Scrupulous in its research and fair in its judgments Lehrman's book reveals the personal diplomacy at the core of the Anglo American alliance *Partners in Command* Mark Perry, 2007-05-10 A unique look at the complex relationship between two of America's foremost World War II leaders The first book ever to explore the relationship between George Marshall and Dwight Eisenhower *Partners in Command* eloquently tackles a subject that has eluded historians for years As Mark Perry charts the crucial impact of this duo on victory in World War II and later as they lay the foundation for triumph in the Cold War he shows us an unlikely complex collaboration at the heart of decades of successful American foreign policy and shatters many of the myths that have evolved about these two great men and the issues that tested their alliance As exciting to read as it is vitally informative this work is a signal accomplishment *Federal Theatre, 1935-1939* Jane DeHart Mathews, 2015-03-08 The WPA Theatre Project conceived as a relief measure a work program and an artistic experiment enjoyed a brief but lively existence With skill and sensitivity Mrs Mathews explores its turbulent history from its ambiguous origins in 1935 to its tragic demise in 1939 The book recreates the atmosphere of the era and conveys a vivid sense of the joys frustrations and personal sacrifices undergone by those dedicated few who recognized the need for an American People's Theatre Mrs Mathews also provides a detailed account of the Congressional hearings which occasioned the disbanding of the Project and a fascinating portrait of Hallie Flanagan the Project's colorful National Director Originally published in 1967 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in

durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

World War II at Sea Craig L. Symonds, 2018-04-02 Author of *Lincoln and His Admirals* winner of the Lincoln Prize The Battle of Midway Best Book of the Year Military History Quarterly and Operation Neptune winner of the Samuel Eliot Morison Award for Naval Literature Craig L Symonds has established himself as one of the finest naval historians at work today *World War II at Sea* represents his crowning achievement a complete narrative of the naval war and all of its belligerents on all of the world's oceans and seas between 1939 and 1945 Opening with the 1930 London Conference Symonds shows how any limitations on naval warfare would become irrelevant before the decade was up as Europe erupted into conflict once more and its navies were brought to bear against each other *World War II at Sea* offers a global perspective focusing on the major engagements and personalities and revealing both their scale and their interconnection the U boat attack on Scapa Flow and the Battle of the Atlantic the miracle evacuation from Dunkirk and the pitched battles for control of Norway fjords Mussolini's Regia Marina at the start of the war the fourth largest navy in the world and the dominance of the Imperial Japanese Navy and Japanese naval power in the Pacific Pearl Harbor then Midway the struggles of the Russian Navy and the scuttling of the French Fleet in Toulon in 1942 the landings in North Africa and then Normandy Here as well are the notable naval leaders FDR and Churchill both self-proclaimed Navy men Karl Dönitz François Darlan Ernest King Isoroku Yamamoto Erich Raeder Inigo Campioni Louis Mountbatten William Halsey as well as the hundreds of thousands of seamen and officers of all nationalities whose lives were imperiled and lost during the greatest naval conflicts in history from small scale assaults and amphibious operations to the largest armadas ever assembled Many have argued that World War II was dominated by naval operations few have shown how and why this was the case Symonds combines precision with story telling verve expertly illuminating not only the mechanics of large scale warfare on and below the sea but offering wisdom into the nature of the war itself

The WPA Sandra Opdycke, 2016-04-14 Established in 1935 in the midst of the Great Depression the Works Progress Administration WPA was one of the most ambitious federal jobs programs ever created in the U S At its peak the program provided work for almost 35 million Americans employing more than 8 million people across its eight year history in projects ranging from constructing public buildings and roads to collecting oral histories and painting murals The story of the WPA provides a perfect entry point into the history of the Great Depression the New Deal and the early years of World War II while its example remains relevant today as the debate over government's role in the economy continues In this concise narrative supplemented by primary documents and an engaging companion website Sandra Opdycke explains the national crisis from which the WPA emerged traces the program's history and explores what it tells us about American society in the 1930s and 1940s Covering central themes including the politics race class gender and the coming of World War II *The WPA Creating Jobs During the Great Depression* introduces readers to a key period of crisis and change in U S history

Parameters, 1991 The Writing of American Military History United States. Department of the Army. Office of Military History, 1950 *Warlords* Simon Berthon, Joanna Potts, 2007-09-07 With innovative style and thorough scholarship *Warlords* tells the story of World War II through the eyes and minds of its four great leaders Adolf Hitler Franklin Roosevelt Winston Churchill and Joseph Stalin While their nations battled in the field these warlords of the twentieth century waged a private war of the mind From Whitehall and Washington to the Wolf's Lair and the Kremlin *Warlords* documents their psychological battles and the attempts to outthink and outfight one another Like a cinematic thriller rapidly cutting from one man to the next the narrative reveals each leader as they face history's greatest conflict and each other Origins of the Cold War David S. Painter, 2005 This second edition brings the collection up to date including the newest research from the Communist side of the Cold War and the most recent debates on culture race and intelligence **Guide to the Writing of American Military History** United States. Department of the Army. Office of Military History, 1951 World War II in Europe, Africa, and the Americas, with General Sources Loyd Lee, 1997-08-21 A broadly interdisciplinary work this handbook discusses the best and most enduring literature related to the major topics and themes of World War II Military historiography is treated in essays on the major theaters of military operations and the related themes of logistics and intelligence while political and diplomatic history is covered in chapters on international relations resistance movements and collaboration The volume analyzes themes of domestic history in essays on economic mobilization the home fronts and women in the military and civilian life The book also covers the Holocaust This handbook approaches each topic from a global viewpoint rather than focusing on individual national communities Except for nonprint material the literature research and sources surveyed are primarily those available in English The volume is aimed at both experts on the war and the general academic community and will also be useful to students and serious laymen interested in the war **American Isolationists** Roger B. Jeans, 2020-12-17 With war on the horizon in the late 1930s many Americans still angry over the outcome of the Great War determined not to get involved in another global conflict Called isolationists or anti interventionists many of them especially the America First Committee focused their attention on the European war when it broke out in September 1939 Most were less interested in Japan's aggression in East Asia which left an opening for another isolationist group the Committee on Pacific Relations which opposed war with Japan right up to the day of the Japanese attack on Pearl Harbor In this first full study of pro Japan isolationists Roger B Jeans provides a detailed history of the committee which was launched in September 1941 a scant ten weeks before the beginning of the war Its driving force was Missourian Orland Kay O K Armstrong who traveled widely during the late 1930s and early 1940s recruiting prominent Americans for his movement against war with Japan He and his colleagues were often critical of US policies and of China the victim of Japanese aggression As a result they were often ostracized as pro Japanese Jeans draws on previously untapped sources the personal letters of committee members and the dossiers the FBI compiled on them to paint a rich picture of this little known group
