### **Reading Programs for Young Adults** Martha Seif

Simpson, 2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs

**Cyndi's List** Cyndi Howells,1999 REF This is a multi title review The titles include Cyndi's List 880 pg Instant Information on the Internet 117 pg and Instant Information on the Internet 86 pg Although Internet directories such as Howells's wildly popular site [www.cyndislist.com](http://www.cyndislist.com) offer well organized access to genealogy sites online many researchers still want to plan searches with a book in hand Now Howells's *Netting Your Ancestors* has created a print version with some exceptions of her web site Including over 100 categories and over 40 000 links most with brief annotations this book has something for nearly any genealogy related topic that comes to mind Schaefer's Instant Information series offers pared down compilations of basic information search sites Her book on the United States categorizes web sites by state and includes vital records information sites prominent research libraries and societies indexes and databases and general information sites In the British Isles book Schaefer discusses British counties and expands her lists to include major sites for churches and the Celtic language as well as a place name index All three books provide easy access to useful genealogy sites While Howells strives for exhaustive coverage of genealogy links Schaefer offers very general site lists Though Howells's book comes with a solid price tag the purchase of each new and planned title in Schaefer's series would quickly rack up the same price or more Still for those who want only a brief focused guide Schaefer's books are an economical alternative Elaine M Kuhn Allen Cty P L Fort Wayne IN      *Design Your Family Tree* Amie Jane Leavitt,2012 Genealogists love to share the treasures they find about their families with others This book gives you loads of tips on how you can share your family history gems with the masses in such ways as timelines autobiographies scrapbooks cookbooks family web sites and traditional and nontraditional family trees You'll also find out how to have fun with your family history by hosting family reunions visiting family history sites and making PowerPoint presentations to showcase your photos and research Sharing family history is fun and this book will help you find the joy in this popular hobby      *A State-by-state Guide to Children's and Young Adult Authors and Illustrators* David V. Loertscher,Lance Castle,1991      **Focus on Scientists** Mary Ellen Sterling,1994-03 Related activities and lot of extras help students integrate human interest stories into their studies      Creating Junior Genealogists Karen Frisch Dennen,Karen Frisch,2003 When family historians discover the value of their heritage they naturally want to share it with their children and grandchildren In *Creating Junior Genealogists* the author offers a mother lode of ideas that will help family historians infuse the next generation with an appreciation of their heritage including how to use family activities visits
