Roots Of The Earthman:

Earth's Man of Color Dr. Oliver Akamnonu, Professor Ndu Eke, 2009-11-30 A distinction is drawn between two very similarities based on the two types of characters that the same type of society produced Orié Puzo and Nmaku who hail from Angwa and the adjoining Ocha remained back in the village and made their lives almost permanently there rarely knowing what was going on in the outside world but being nonetheless greatly influenced by the latter Their daily chores are dictated by the daily basic necessities of the moment and they have little to worry perpetually about A lot of their life is controlled by the dictations and predictions of the traditional medicine man who occasionally misfires in his predictions which have no scientific basis supporting them His situation is often taken advantage of by the political class who have little or nothing to lose even if the polity collapses But Livinus on the other end of the spectrum emerges from the civil war and through a dint of luck and hard work studies hard and becomes a doctor He even proceeds overseas despite a close shave by arsonists He specializes and returns home to Akunwanta town from where he is again catapulted by fate and focus to become the governor of his state after a battle between titans eliminates the principal contestants He at first meant well and had the intention of helping to reform society Post election litigation and his lack of the economic leverage almost cost him his mandate But again fate plays a hard one on him and because of his lack of cash he gets tied up to the economic vampires of his society He is bailed out by a coalition of these vampires and narrowly reclaims his mandate only after colossal bribing of umpires who were least expected to soil their hands He decides never to go begging ever again and hence he delves headlong into the rot and decay not by his will but by the circumstances prevailing around him **Earth Man** Richard Evans, 2013-04-01 In order to protect itself from an alien scourge the planet Earth chooses a good hearted Canadian to infuse with great power Danny Boyle finds himself gifted with superhuman abilities and suddenly his simple life in Kelowna British Columbia is turned upside down Three monsters no bigger than a flea descend to Earth burrowing into the flesh of the living creatures of the planet and changing them into the perfect hosts Their hunger has taken the Growth across the stars and they have left a thousand dead worlds in their wake Mankind has no idea that evil now walks among them and Danny must quickly learn to decipher the strange clues the animals and the trees are sending him With the power of Earth's animals at his command Danny must find the hero inside of him before everything he knows and everyone he loves is lost *Earth, Man, & Devolution* R. Jelani,2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author's discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicars of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible

Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It s a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ s crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki s process concerning an African female s mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It s a fictionalized story written to make people think about this with intellectual intuition logic and reason *The Historical Picture Gallery, Or, Scenes and Incidents in American History* John R. Chapin, 1856

The Green Odyssey Philip José Farmer, 2023-10-26 In *The Green Odyssey* Philip Jos Farmer immerses readers in a rich tapestry of science fiction and adventure exploring themes of survival and self discovery Set on the lush and perilous planet of Cafu the narrative follows the journey of a space faring protagonist a botanist named the Ruler who must navigate treacherous landscapes filled with bizarre flora and fauna Farmer s characteristically inventive prose pairs with an

allegorical depth inviting readers to ponder the complexities of human nature cultural exchange and environmental stewardship against a backdrop of vibrant world building The book deftly blends elements of both speculative fiction and tall tales positioning it within the broader literary context of 1960s science fiction s burgeoning emphasis on ecological concerns and social commentary Farmer an influential figure in the genre was known for his imaginative storytelling and unconventional narratives His own experiences including a fascination with myth folklore and the myriad possibilities of life beyond Earth shaped his creative vision Farmer s desire to critique societal norms while crafting unique worlds is palpably felt throughout this novel as he constructs a narrative that resonates with readers on multiple levels particularly their understanding of both fantasy and reality The Green Odyssey is a must read for anyone interested in the intersection of science fiction and philosophical inquiry Farmer s intricate narrative invites readers not only to suspend disbelief but to critically engage with the very essence of humanity This novel stands as a testament to Farmer s unique ability to blend entertainment with intellectual exploration making it a timeless addition to the canon of speculative literature
