marginalization oddity and not fitting into society In three thematic sections contributors then consider a range of tales and their queer themes In *Faux Femininities* essays explore female characters and their relationships and feminine representation in the tales Contributors to *Revising Rewritings* consider queer elements in rewritings of the Grimms tales including Angela Carter's *The Bloody Chamber* Jeanette Winterson's *Twelve Dancing Princesses* and contemporary reinterpretations of both *Snow White* and *Rose Red* Contributors in the final section *Queering the Tales* consider queer elements in some of the Grimms original tales and explore intriguing issues of gender biology patriarchy and transgression With the variety of unique perspectives in *Transgressive Tales* readers will find new appreciation for the lasting power of the fairy tale genre Scholars of fairy tale studies and gender and sexuality studies will enjoy this thought provoking volume
