Petty, 2016-02-25 I'm on death row the state wants to kill me but I'm innocent Can you help me get through these days In this manner I was invited to become Joe's pen pal My agreement set in motion a long arduous pilgrimage Little in my background seemed suitable for such an undertaking yet I had personally wrestled with the issues of criminal behavior corrections and capital punishment

Also as a Christian I felt that there was a spiritual dimension to be explored If execution was to come shouldn t we deal with Job s question If a man die will he live again Indeed I believe that all people should prepare for the aftermath of physical death Joe was an exceptional young man an atypical inmate He was a scholar in a place where such would be deemed next to impossible He was a trusty in a place where the rank and file would ridicule industriousness He became a saint in a place where unrepentant sinners were the norm The pending peril of execution became the linchpin for our ongoing exchanges regarding the issues of capital punishment and spiritual readiness for early death For the Living of These Days was for both of us a living toward dying But isn t that true for everyone
