Lutzer, 1990-05-09 Satan is interested in your personal downfall Just as the Lord is a personal God Satan is also a personal spirit His goal is to lure even the strongest Christian into his domain Dr Lutzer talks of ten difficult biblical concepts of Satan and his power and presents them in an understandable manner together with advice applicable to today s society He details the history of Satan s total rejection of goodness and the ramifications of that rejection for each one of us Dr Lutzer points out the cunning traps the accuser uses to draw us into sin He follows with sound biblical methods for combatting the enemy Satan has a course he would like each of us to take but as Dr Lutzer notes we can choose Christ s glorious plan for our lives and shatter Satan s evil plan

Lord to identify what is not normal and what is degradation he also identifies what is the orthodoxy of the church the apostolic church as revealed in the New Testament In this issue we will see from Revelation 2 and 3 that only the church in Philadelphia returned to the orthodoxy of the church We may already have some knowledge about this subject However we need to be in fear and trembling lest we would have confidence in our knowledge and understanding and think that there is nothing new to see gain or experience To have such an attitude is to have the spirit of the Laodiceans who boasted and said I am wealthy and have become rich and have need of nothing Rev 3 17 In principle the elders and responsible brothers are the messengers representing the church are responsible for the church have a heart to care for the church and recognize that they are under the Lord s direct authority concerning the church The Spirit speaks to the churches the Son of Man however speaks to the messengers The entire book of Revelation is the revelation of the person of Jesus Christ and not the revelation of locusts beasts or so many other things It is the revelation of Jesus Christ through Jesus Christ and concerning Jesus Christ If we are to return to the orthodoxy of the church we cannot merely return to teachings and practices we must return by way of the person Jesus Christ the One who knows the situation of every local church and of every messenger of every local church If we have an increasing vision of what is most on God s heart for His eternal satisfaction the bride the wife the New Jerusalem we will be beside ourselves in the Spirit In the first three chapters of Revelation we can see how the Lord cares for the churches Even in His awesome majesty He must judge them in order to gain them In the final two chapters the Lord Jesus sent His angel for the particular purpose that all His dear churches would see the final vision of 22 16 From the beginning to the end the Lord cares for the churches This word should at least give us a heart to see what John saw and to treasure and care for it The Reports and Announcements section at the end of this issue contains the winter 2016 mass distribution update a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

The Secret Is Out: God's Truth Vs Satan's Doctrine Innocent Nangoma,2020-04-16 Once upon a time a man named Godfrey White took it on himself to read the whole bible to determine its validity Unfortunately he could not understand it This upset Godfrey White because he saw the positive impact it had done on other lives and wanted to know more about this One God so that it could impact his life too Mr White was extremely irritated by the bible because when he read it he felt like it was judging him so he felt unworthy of it Mr White would spend hours on hours during the day trying to figure out what God s love was all about but felt it was too overwhelming to take in He would sometimes read it before bed but found the stories as fictional and boring He did his best to study it and maybe understand who God was but failed to do so Therefore

Godfrey White placed the book in his closet where all the other books he had finished reading were. He continued on with his life but everyday he would hear a voice calling to him. Do you wish to know the truth? He was not sure where the voice was coming from so he ignored it. But the more he ignored it the louder the voice got. Godfrey White soon began to lose his mind because the voice would not go away so one day when he was alone in his room he spoke back to the voice. Who is it that is speaking? Am I going crazy? What is the truth? It was at that moment when the voice spoke back to him saying I heard you were searching for me so I called back to you but you ignored me. Go to your closet and find that book you have failed to understand and I will guide you to the truth. Today the gospel shall be revealed to you and you shall not only receive truth but a relationship with me. TheSecretIsOut

The Secret of Power Samuel Manyika, 2005-06 The Secret of Power is not written for those who only want to run the race but those who intend to finish and win. A must read for all believers.

What the Bible Says About the Collapse of the Universe: Book II Stanley Lotegeluaki, 2004-02-05 This book is a sequel to my first book. What the Bible says about the collapse of the universe. Life before the big bang. And the 200 billion year history of Christianity the invisible war. This book. The doctrine of THIRD WAVE CHRISTIANITY is really a distillation of the first book. The core of what the Lord revealed to me. It is composed of small booklets. Jesus Satan The Beast The Lake of fire and older booklets from the first book. The Catholics were the first wave and they discomfited Satan. The Protestants were the Second wave and they swarmed Satans camp and now are the Third wave Christians. Space age Christians who believe in the collapse of the universe and Life before the big bang who will over run Satans camp and completely wipe them out. The book is designed for Christians who are also scientists and see no problem with the Bible and its compatibility with science. It gives information about the collapse of the universe but with new material about the Beast Satan Jesus Africas unification and the founding history of all the nations. Third wave Christians are not to go out and make new Churches but they are people who ate the refreshing new information that we missed in the Bible. Space age information. This book proves that Christianity is superior to Islam Hinduism Buddhism Communism and those who make science into a religion. Because the Bible says the universe will collapse and Science says the universe will collapse thats proof the Bible is Truth and that God exists. Logicians and Christians who are Scientists can use this book to prove that the Bible is True therefore God exists.
